

ORDINANCE O-4447

AN ORDINANCE OF THE CITY OF KIRKLAND RELATING TO LAND USE AND ZONING, AMENDING ORDINANCE O-4446 TO CORRECT SCRIVENER'S OR CLERICAL ERRORS IN THE ADOPTED INTERIM ZONING REGULATIONS REGARDING THE RETAIL SALE OF RECREATIONAL MARIJUANA, PROVIDING FOR SEVERABILITY, AND APPROVING A PUBLICATION SUMMARY.

WHEREAS, Initiative 502 (I-502) approved by Washington voters in November 2012, provides a framework for licensing and regulating the production, processing, and retail sale of recreational marijuana; and

WHEREAS, the Washington State Liquor Control Board has adopted rules pertaining to the licensing of marijuana producers, processors, and retailers and has accepted applications, and is beginning to issue licenses for these marijuana businesses; and

WHEREAS, the State Liquor Control Board has determined that two state licenses for the retail sale of recreational marijuana may be issued for the City of Kirkland; and

WHEREAS, on January 16, 2014, the Washington State Attorney General issued a formal opinion which concluded that I-502 does not prevent local governments from regulating or banning marijuana businesses; and

WHEREAS, the City Council has continued to review how to reconcile the needs of the residents and businesses of Kirkland with respect to the retail sale of recreational marijuana, with I-502, and the rules promulgated by the Washington State Liquor Control Board; and

WHEREAS, the City Council believes that health, safety, and welfare of the community is best served by imposing interim regulations with reasonable limitations to avoid locating recreational marijuana retail outlets next to incompatible uses, while permanent Zoning Code amendments are considered; and

WHEREAS, following a public hearing on June 17, 2014, the City Council passed Ordinance O-4446 amending the interim zoning regulations previously adopted by Ordinance O-4439; and

WHEREAS, on June 10, 2014, a State Environmental Policy Act addendum was issued for the amended interim zoning regulations adopted by Ordinance O-4446; and

WHEREAS, the proposed ordinance presented to and adopted by the City Council as Ordinance O-4446 on June 17, 2014, contained certain scrivener's or clerical errors which it is necessary to correct; and

WHEREAS, the City has the authority to enact interim zoning regulations under RCW 35A.63.220 and RCW 36.70A.390;

NOW, THEREFORE, the City Council of the City of Kirkland do ordain as follows:

Section 1. Findings. The recitals set forth above are incorporated as findings of fact in support of the interim regulations imposed by this ordinance. The City Council further finds as follows:

- a. The City Council wishes to exercise its police power authority granted under article XI, section 11 of the Washington Constitution to promote public safety, health, and welfare, but expressly disclaims any intent to exercise authority over marijuana uses in way that would conflict with the federal Controlled Substances Act;
- b. It is the intent of these interim zoning regulations to ensure that marijuana retail outlets are not located where the use could cause inappropriate off-site impacts; and
- c. The Kirkland School Walk Routes have been identified based on considerations of existing traffic patterns and providing the greatest separation between walking children and traffic; and
- d. The Market Street Corridor (MSC) MSC 1 and MSC 2 zones each abut or contain segments of Kirkland School Walk Routes developed with crosswalks and flashing beacons to encourage use by walking children; and
- e. The potential for vehicular and pedestrian traffic impacts on Kirkland School Walk Routes as a result of proximity to marijuana retail outlets in Washington State is, as yet, unknown; and
- f. Allowing recreational marijuana uses in Light Industrial Technology (LIT) zones primarily adjoining commercial zones lessens the potential for traffic conflicts with residential neighborhoods;
- g. The public safety risks associated with retail marijuana outlets in Washington State are, as yet, unknown; and
- h. These interim zoning regulations are designed to avoid potential adverse consequences and provide the opportunity to gather data and study, draft, and adopt permanent regulations; and
- i. The City Council desires to create regulations that address the particular needs of the residents and businesses of Kirkland and coordinate with I-502 and the rules promulgated by the Washington State Liquor Control Board regarding recreational marijuana; and
- j. Under these interim regulations there remain other potential sites within the City where the zoning would permit retail marijuana outlets and the properties appear to be located more than 1,000 feet from elementary or secondary schools, playgrounds, recreation centers or facilities, child care centers, public parks, public transit centers,

libraries, or any game arcades (where admission is not restricted to persons age 21 or older), the minimum criteria of the State Liquor Control Board; and

k. The City Council has also determined that City staff shall draft permanent Zoning Code amendments for referral to the Planning Commission for review, public hearing, and recommendation by the Planning Commission.

Section 2. Amendment. Ordinance O-4446 is amended to correct scrivener's or clerical errors.

Section 3. Interim Zoning Regulations.
