4. AUTHORIZED USE OF FACILITY.

4.1. SEATTLE TILTH shall have exclusive possession and operational control of the portions of the Facility under its control, subject to the terms of this Agreement and reserving the right of City to use the Facility after prior consultation with SEATTLE TILTH. Initially, SEATTLE TILTH will occupy the lower floor of the Atrium, the address of which is 11718 108th Ave NE ("Atrium"). The City will continue to use the upper floor of the Atrium.

5. CITY USE.

5.1 City reserves the right to use the public program areas of the Facility for various programs on a space available basis. Scheduling and use procedures shall be coordinated by the respective facility managers of City and SEATTLE TILTH. In any event, Facility space for SEATTLE TILTH programs will be the first priority where scheduling of City's programs and SEATTLE TILTH's programs conflict.

5.2 City shall be allowed to use the Facility without rental charge, but shall pay operational expenses arising from its use of the Facility including extra staffing and janitorial services and expenses to repair any damage to the Facility or the Tenant Improvements caused by the City's use.

SEATTLE TILTH will draft statements of such outcomes and approval by City will not be unreasonably withheld.

8. IMPROVEMENTS, ALTERATIONS AND ADDITIONS TO THE FACILITY

Improvements, Alterations and Additions. SEATTLE TILTH shall not alter any structural features of the Facility without City approval. SEATTLE TILTH, at its sole expense, may redecorate any interior surface of walls, ceilings, windows and doors of the Atrium. SEATTLE TILTH may install its own furnishings and equipment on or about the Facility without City's consent, provided SEATTLE TILTH shall not install trade fixtures or other items which are physically attached to the Facility without City's consent, which shall not be unreasonably withheld, conditioned or delayed. Any improvements will be made in accordance with all licenses, permits, and/or other authorizations required by law.

9. ACCEPTANCE OF FACILITY.

Prior to entering into and occupying the Facility, SEATTLE TILTH shall have an opportunity to inspect the Facility to confirm the general maintenance and upkeep of the Facility. 10. QUIET ENJOYMENT.

City covenants that it holds legal title to the Facility, free and clear of all liens and encumbrances, excepting only the lien for current taxes not yet due, if any, such mortgage or mortgages as are permitted by the terms of this Agreement, zoning ordinances and other building and fire ordinances and government regulations relating to the use of such property, and easements, restrictions and other conditions of record. City represents and warrants that it has full right and authority to enter into this Agreement, that the contemplated use of the Facility is permitted under applicable law, and that SEATTLE TILTH, upon performing its other covenants and agreements set forth in this Agreement and all extensions thereof, shall peaceably and quietly have, hold and enjoy the agreed-upon portions of the Facility for the term of this Agreement, including, but not limited to, the scheduling of SEATTLE TILTH activities and events, management of operations, or selection of employees and agents without hindrance or interference from City, subject to

the terms and provisions of this Agreement.

11. HAZARDOUS SUBSTANCES.

SEATTLE TILTH shall not cause or permit the presence, use, generation, release, discharge, storage, disposal, or transportation of any Hazardous Materials (as defined below) on, under, in, above, to, or from the Facility, the building, or the common areas, other than in strict compliance with all applicable federal, state and local laws, regulations and orders. The term "**Hazardous Materials**" refers to any substances, materials, and wastes that are or become regulated as hazardous or toxic substances under any applicable local, state or federal law, regulation or order. SEATTLE TILTH shall indemnify, defend and hold City harmless from and against (a) any loss, cost, expense (including attorneys' fees and court costs), claim, or liability arising out of any investigation, monitoring, clean-up, containment, removal, storage, or restoration work or remedial work required by, or incurred by City or any nongovernmental entity or person in reasonable belief that such work is required by any applicable federal, state or local law, governmental agency, or political subdivision, and (b) any claims of third parties for loss, injury, expense, or damage arising out of the presence, release, continuing release or discharge of any Hazardous Materials on, under, in, above, to, or from the Facility that occurred or originated during the term of this Agreement. City shall indemnify, defend and hold SEATTLE TILTH harmless from and against (a) any loss, cost, expense, claim, or liability arising out of any investigation, monitoring, clean-up, containment, removal, storage, or restoration work ("**remedial work**") required by, or incurred by SEATTLE TILTH or any nongovernmental entity or person in a reasonable belief that such work is required by any applicable federal, state or local law, governmental agency, or political subdivision, and (b) any claims of third parties for loss, injury, expense, or damage arising out of the presence, release, continuing release or discharge of any Hazardous Materials on, under, in, above, to, or from the Facility that occurred or originated during a time other than the term of this Agreement. If any remedial work is so required under any applicable federal, state or local law during the term of this Agreement, City shall perform or cause to be performed the remedial work in compliance with such law, regulation or order. All remedial work shall be performed by one or more contractors under the supervision of a consulting engineer, each selected by City and approved in advance in writing by SEATTLE TILTH. If City does not commence the remedial work in a timely fashion or does not diligently prosecute the remedial work to completion, SEATTLE TILTH may, but shall not be required to, cause the remedial work to be performed, subject fully to the indemnification of this paragraph. The foregoing indemnification obligation shall survive termination of this Agreement.

12. MAINTENANCE; CLEANING; REPAIR; AND UTILITIES.

12.1 City. City is responsible for maintenance and repair of the structural components of the Atrium which shall include the roof, the exterior walls, the foundation, and the HVAC system. City is also responsible for maintenance which is necessary for the structural integrity of the Atrium, including maintenance of load-bearing members, and of main lines of mechanical, electrical, and plumbing systems to the point of entry. City is responsible for the portions of the Facility that are currently being rented to others. City

is responsible for and will pay for landscaping and landscape maintenance that meet City standards; provided that, if SEATTLE TILTH wants special plantings or landscaping and landscape maintenance that exceed City standards, SEATTLE TILTH will be responsible for and will pay for and maintain such plantings or features. SEATTLE TILTH shall be responsible for maintenance and repair of any areas that are under its control, such as gardens and pea-patches. City is responsible for and will pay for maintenance of the parking lot and all exterior lighting that meets City standards. City will maintain and provide confidence testing of the fire alarm and sprinkler systems. Before entering the Facility to undertake maintenance and repair work, City shall give SEATTLE TILTH at least twenty-four (24) hours notice; provided that, such maintenance and repair work shall not unduly interfere with the use of the Facility for any programming. In the event of an emergency, however, no such notice shall be required. City shall timely pay the charges for the following services to the Facility: city water, storm sewer, sewer and garbage; provided, however, that SEATTLE TILTH shall reimburse the City for water utility charges significantly above the base charges attributable to SEATTLE TILTH activities. For the purposes of this Agreement, the base water utility charges are the amounts paid by the City for water at the Facility during the 2014 calendar year. In the event the City determines that SEATTLE TILTH's water consumption is significantly above the base charges, it will notify SEATTLE TILTH and the parties will negotiate a fair and equitable method for allocating water charges, taking into account all of the water usage at the Facility. As SEATTLE TILTH's use of the Facility expands, SEATTLE TILTH and the City will explore the option of obtaining separate meters for utilities. City shall not pay for any other services or utilities for the Facility.

12.2 SEATTLE TILTH. SEATTLE TILTH is responsible for maintenance and repair of the interior of the portions of the Atrium under its control, which shall include Tenant Improvements and any of SEATTLE TILTH's property. SEATTLE TILTH's responsibility for tenant improvements and its property extends through fixture drain and trap down to the junction with the line into wall or floor, and includes attempting to clear clogs by means of plunger and toilet auger. SEATTLE TILTH's janitorial and routine maintenance responsibilities include, but are not limited to: timely repair or replacement of light fixtures or bulbs, electrical switches or controls; cleaning of seating, curtains, carpets, flooring, and faucets; cleaning of interior and exterior windows; cleaning of the kitchen and restroom facilities and drinking fountain; and cleaning of external patio, entryways, and external back door area. Except as otherwise specified, SEATTLE TILTH shall timely pay all charges for utilities and other services for which it is responsible to the Facility. Utility charges to be paid by SEATTLE TILTH, include, but are not limited to, electricity, telephone, internet, security alarm monitoring, permits, and false alarm charges.

13. INDEMNIFICATION.

SEATTLE TILTH shall defend, indemnify, and hold harmless the City, its officers, officials, employees and agents, while acting within the scope of their employment as such, from any and all costs, claims, judgments, and/or awards of damages, arising out of SEATTLE TILTH's negligent acts or omissions in the performance of this agreement. The City shall defend, indemnify and hold harmless SEATTLE TILTH, its officers,

officials, employees and agents, while acting within the scope of their employment as such, from any and all costs, claims, judgments, and/or awards of damages, arising out of the City's negligent acts or omissions in the performance of this agreement. Each Party agrees that its obligations under this subparagraph extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, each Party, by mutual negotiation, hereby waives, with respect to the other Party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. This indemnification shall survive the termination of this Agreement.

14. INSURANCE.

14.1 City shall maintain all risk property insurance covering the Facility in an amount equal to its replacement cost, insuring against the perils of Fire, Lightning, Extended Coverage, Vandalism and Malicious Mischief, extended by Special Extended Coverage Endorsement to insure against all other Risks of Direct Physical Loss, such coverage and endorsements to be as defined, provided and limited in the standard bureau forms prescribed by the insurance regulatory authority for the State of Washington for use by insurance companies admitted in such state for the writing of such insurance on risks located within such state or such coverage as provided to the City through the Washington Cities Insurance Authority. Subject to the terms of this Agreement, such insurance shall be for the benefit of City and under its sole control.

14.2 City shall notify SEATTLE TILTH immediately after a casualty occurs to the Facility if the City determines that (1) the Facility is totally destroyed by fire or other casualty, (2) the casualty is not insured, (3) the cost of restoration would exceed the total City's Insurance proceeds and SEATTLE TILTH's available funds, or (4) rebuilding or repairs cannot in City's estimation be completed within three hundred sixty-five (365) days after the date upon which City has notified SEATTLE TILTH of such damage. In such event, this Agreement shall terminate effective upon the date of the occurrence of such damage. City shall give notice to SEATTLE TILTH in writing of its determination within ninety (90) days following the date of the occurrence of such damage.

14.3 If the Facility is damaged by any peril covered by the City's Insurance to be provided by City, but only to such extent that rebuilding or repairs can in City's estimation be completed within three hundred sixty-five (365) days after the date upon which SEATTLE TILTH is notified by City of such damage and within the amount covered and paid by the City's insurance, this Agreement shall not terminate, and City shall at its sole cost and expense thereupon proceed with reasonable diligence to rebuild and repair such building to substantially the condition in which it existed prior to such damage, except that City shall not be required to rebuild, repair or replace any part of the partition, fixtures, additions and other improvements which may have been placed in, or about the Facility by SEATTLE TILTH and which is owned by SEATTLE TILTH. If the building is subsequently damaged while City is rebuilding and repairing the building, City shall estimate whether rebuilding or repairs can be completed within three hundred sixty-five (365) days after the date upon which City is notified by SEATTLE TILTH of such subsequent damage. If the Facility is untenable in whole or in part following such

damage, the rent payable during the period in which it is untenable shall be reduced to such extent as may be fair and reasonable under all of the circumstances. If City does not complete such repairs and rebuilding within three hundred sixty-five (365) days after the date upon which SEATTLE TILTH is notified by City of such damage or such subsequent damage, as appropriate, SEATTLE TILTH may at its option terminate this Agreement by delivering written notice of termination to City within three hundred ninety-five (395) days after the date of the notice of the damage or the subsequent damage, as appropriate, as SEATTLE TILTH's exclusive remedy, whereupon all rights and obligations hereunder shall cease and terminate.

14.4 Notwithstanding anything in this Agreement to the contrary, if the holder of any indebtedness secured by a mortgage or deed of trust covering the Facility requires that the City's Insurance proceeds be applied to such indebtedness, then City shall have the right to terminate this Agreement by delivering written notice of termination to SEATTLE TILTH within fifteen (15) days after such requirement is made by such holder, whereupon all rights and obligations under this Agreement shall cease and terminate.

14.5 SEATTLE TILTH shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with SEATTLE TILTH's operation and use of the Facility.

14.6 Waiver of Subrogation. SEATTLE TILTH and the City hereby release and discharge each other from all claims, losses and liabilities arising from or caused by any hazard covered by insurance on or in connection with the Facility. This release shall apply only to the extent that such claim, loss or liability is covered by insurance.

14.7 No Limitation. SEATTLE TILTH's maintenance of insurance as required by the agreement shall not be construed to limit the liability of SEATTLE TILTH to the coverage provided by such insurance, or otherwise limit City's recourse to any remedy available at law or in equity.

14.8 Minimum Scope of Insurance.

SEATTLE TILTH shall obtain insurance of the types described below:

14.8.1 Commercial General Liability insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 and shall cover Facility and contractual liability. City shall be named as an insured on SEATTLE TILTH's Commercial General Liability insurance policy using ISO Additional Insured-Managers or Lessors of Facility Form CG 20 11 or a substitute endorsement providing equivalent coverage.

14.8.2 Property insurance shall be written on an all risk basis.

14.9 Minimum Amounts of Insurance.

SEATTLE TILTH shall maintain the following insurance limits:

14.9.1 Commercial General Liability insurance shall be written with limits no less than \$1,000,000 each occurrence, \$5,000,000 general aggregate.

14.9.2 Property insurance shall be written covering the full value of SEATTLE TILTH's property and improvements with no coinsurance provisions.

14.10 Other Insurance Provisions.

The insurance policies are to contain, or be endorsed to contain, the following provisions for Commercial General Liability insurance:

14.10.1 SEATTLE TILTH's Commercial General Liability insurance coverage shall be primary insurance as to the City, provided that the City's Insurance shall be primary as to SEATTLE TILTH in regard to damage to the Facility structure and areas for which The City is responsible under this Agreement and not caused by SEATTLE TILTH. Any Insurance maintained by the City shall be excess of SEATTLE TILTH's insurance and shall not contribute with it.

14.10.2 SEATTLE TILTH's insurance shall be endorsed to state that coverage shall not be cancelled by either party, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to City.

14.11 Acceptability of Insurers.

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A: VII.

14.12 Verification of Coverage.

SEATTLE TILTH shall furnish City with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of SEATTLE TILTH.

15. SIGNS.

SEATTLE TILTH may install signs on the exterior of the Facility, identifying the building as the offices of SEATTLE TILTH or other mutually agreed upon name, and containing other information related to SEATTLE TILTH, including without limitation, program information, fundraising information and special SEATTLE TILTH announcements. The design, installation and location of said signs shall comply with applicable provisions of the Kirkland Municipal Code, including but not limited to zoning provisions and building regulations, and shall be subject to the written approval of the City Manager, which approval shall not be unreasonably withheld.

16. ASSIGNMENT, SUBLEASE OR TRANSFER.

Obligations or rights of SEATTLE TILTH under this Agreement may not be assigned, subleased, or otherwise transferred by SEATTLE TILTH, without the prior written consent of City, which consent may be withheld at the sole discretion of City. The assignment, sublease, or transfer of this Agreement without such consent shall constitute an Event of Default. Any such assignment, sublease, or transfer shall be specifically subject to all the terms and conditions of this Agreement. In the event of any proposed assignment, sublease, or transfer of this Agreement, SEATTLE TILTH shall cause to be delivered to City simultaneously with such proposed assignment, sublease, or transfer, an instrument in writing, executed by the assignee, in which the assignee shall assume and agree to accept all the terms and conditions of this Agreement.

17. CONCESSIONS AND CATERING ACTIVITY.

17.1 **Definitions.** As used in this section, unless the context clearly requires a different meaning,

17.1.1 **"Concession and catering activity"** means and includes the preparation, service, free distribution, or sale of food or any beverage, or the free distribution or sale of any concession merchandise or service; and

17.1.2 **"Concession merchandise or services"** means and includes inedible goods and services such as souvenirs, novelties and tickets to events at other venues.

17.2 **Grant of Right.** City grants to SEATTLE TILTH the exclusive right to engage in concession and catering activity and to enter into agreements authorizing one or more concessionaires to engage in such activity for and on the behalf of, or under the auspices of, SEATTLE TILTH, at the Facility, subject to the terms of this Agreement. If SEATTLE TILTH decides to retain any such concessionaire(s), SEATTLE TILTH shall select such concessionaire(s). If SEATTLE TILTH enters into any such agreement(s), SEATTLE TILTH shall remain ultimately responsible for compliance with terms and conditions, and performance of obligations under this Agreement. Any such agreement shall incorporate terms and conditions related to concessions and catering activity under this Agreement.

17.3 **Food Service Establishment Permit Required.** SEATTLE TILTH, or any such concessionaire(s), shall ensure that all food offered for sale on or from the Facility has been prepared, transported, served and otherwise provided only by a person or entity issued a current valid Food Service Establishment permit by the Seattle King County Department of Public Health or its successor.

17.4 **Licenses and Permits Required; Contingent Expiration of Right.** SEATTLE TILTH, or any such concessionaire(s), shall be responsible for obtaining and maintaining, at no cost to City, all licenses, permits and other authorization required in order to legally conduct the concession and catering activity contemplated herein. City shall have no obligation to issue such licenses, permits, or other authorization. City shall issue such licenses, permits, or other authorization in accordance with applicable City rules and regulations. The inability of SEATTLE TILTH, or any such concessionaire(s), to secure

or to maintain any such license, permit or other authorization shall not invalidate the concession and catering right granted herein, provided that SEATTLE TILTH shall not engage in concession and catering activity until the necessary license, permit or authorization has been obtained.

18. COMPLIANCE WITH LAW.

18.1 Lawful Use. SEATTLE TILTH and City each agree to abide by, conform and comply with all applicable federal, state and local laws, and obtain all required licenses, permits, and authorizations. Whenever either party or its authorized representative is informed of any violation of any such law, ordinance, rule, regulation, license, permit, or authorization committed by it, it shall immediately desist from such violation. The final judgment of any court or administrative body of competent jurisdiction or the admission by a party in any action against it, whether the other party is a party thereto or otherwise, that it or its invitees has violated any law, ordinance, rule, or regulation shall be conclusive of that fact as between City and SEATTLE TILTH.

18.2 Licenses and Similar Authorizations. SEATTLE TILTH, at no expense to City, shall secure and maintain in full force and effect during the term of this Agreement all required licenses, permits and similar legal authorizations, and comply with all requirements thereof. City shall have no obligation to issue such licenses, permits, or authorizations. City shall issue such licenses, permits, or authorizations in accordance with applicable City rules and regulations.

18.3 Taxes. SEATTLE TILTH shall pay, before delinquency, all taxes, levies, and assessments of whatever kind or nature are imposed or become due during the term of this Agreement and arise from any activity on or use and occupancy of the Facility pursuant to this Agreement, including but not limited to taxes arising out of the activity or business conducted on the Facility; taxes levied on SEATTLE TILTH property, equipment, and improvements on the Facility; taxes on SEATTLE TILTH's interest in this Agreement and any leasehold interest created thereby under RCW 82.29A, if applicable; and any assessment levied for any local improvement, utility local improvement, or any similar undertaking. In the event the State of Washington makes any demand upon City for payment of any tax resulting from SEATTLE TILTH's use or occupancy of the Facility or the conduct of any activity subject to tax, or the State withholds funds due to City to enforce collection of leasehold excise or any other tax, SEATTLE TILTH, at its sole expense, shall contest such action and indemnify City for all sums expended by or withheld by the State from City in connection with such taxation; provided, that SEATTLE TILTH may pay any such tax in lieu of contesting it or indemnifying City. City shall pay and shall indemnify and hold SEATTLE TILTH harmless for all taxes imposed, that relate to City sponsored events at the Facility (except for taxes imposed on concession sales by SEATTLE TILTH or for SEATTLE TILTH's benefit), and for all taxes that may be imposed on SEATTLE TILTH or SEATTLE TILTH's use of the Facility resulting from any City use under this Agreement.

18.4 Attendance and Safety Standards. The Kirkland Fire Chief or his/her designee shall have the authority to determine, in the reasonable exercise of his/her

discretion, the number of persons that may be admitted to, and safely and freely move about in the Facility. SEATTLE TILTH shall not sell or issue tickets or credentials for admission to the Facility in an aggregate number that exceeds the Kirkland Fire Chief's determined number. SEATTLE TILTH shall not admit to the Facility more people than the number so determined by the Kirkland Fire Chief. SEATTLE TILTH shall not permit any chair or movable seat or other obstruction to be erected or placed in any passageway or fire exit. Sidewalks, grounds, entries, passages, vestibules, halls, elevators, abutting streets and all ways of access to the Facility shall not be obstructed by SEATTLE TILTH or used for any purpose other than for ingress and egress to the Facility for persons or property. City shall be responsible for assuring compliance with each of the foregoing requirements during periods of City use of the Facility under this Agreement.

18.5 Nondiscrimination. SEATTLE TILTH shall, in employment made possible or resulting from this Agreement, ensure that there shall be no unlawful discrimination against any employee or applicant for employment in violation of RCW 49.60.180, as currently written or hereafter amended, or other applicable law prohibiting discrimination, unless based upon a bona fide occupational qualification as provided in RCW 49.60.180 or as otherwise permitted by other applicable law. Further, no person shall be denied or subjected to discrimination in receipt of the benefit of any services or activities made possible by or resulting from this Agreement in violation of RCW 49.60.215 or other applicable law prohibiting discrimination.

18.6 Americans with Disabilities Act. SEATTLE TILTH shall comply with all governmental laws, ordinances and regulations applicable to the use of the Facility, including without limitation Title III of the Americans with Disabilities Act.

18.7 Applicable Law and Venue. This Agreement shall be construed under the laws of the State of Washington. The venue for any litigation relating to this Agreement shall be in the Superior Court of the State of Washington for King County.

19. ROYALTIES, LICENSE FEES, AND SIMILAR PAYMENTS.

SEATTLE TILTH shall pay, before delinquency, all royalties, license fees, and other charges due and payable to any person or entity as the consequence of any public performance(s) or display(s) of copyrighted work(s) during its use of the Facility. City shall be responsible for all similar royalties, license fees and other charges in connection with City's use of the Facility.

20. LIENS AND ENCUMBRANCES.

SEATTLE TILTH shall keep the Facility, SEATTLE TILTH's interest in this Agreement, and the Tenant Improvements free and clear of any liens and encumbrances caused by the actions of SEATTLE TILTH, its employees, agents or contractors.

21. DEFAULT.

21.1 Default. The following events shall constitute a default and material breach of this Agreement:

21.1.1 The failure to comply with any of the terms of this Agreement regarding insurance;

21.1.2 The material violation of any law, ordinance, rule, or regulation which, after notice and reasonable time to cure, remains uncured;

21.1.3 The abandonment or vacating of the Facility for a period of thirty (30) days or more;

21.1.4 The absence of any SEATTLE TILTH-scheduled program for a period of ninety (90) days or more, when not due to repair problems or maintenance work for which City is responsible;

21.1.5 The dissolution of SEATTLE TILTH or the merger of SEATTLE TILTH with another entity without the prior written approval of City;

21.1.6 The assignment or transfer of this Agreement without the prior written consent of City as described in Section 16 of this Agreement; and The failure to perform any other condition or covenant of this Agreement where such failure in performance is not remedied within the time allowed by this Agreement, or such other period for remedial action as is expressly otherwise provided for in this Agreement, or agreed upon by both parties.

21.2 Extension of Period to Remedy Default. Neither City nor SEATTLE TILTH shall be in default unless such party fails to perform an obligation required of it within a minimum of thirty (30) days after written notice from the aggrieved party has been sent by the other, specifying the particular obligation that the other has failed to perform; provided, that if the nature of the other party's obligation is such that more than thirty (30) days are reasonably required for performance, then the other party shall not be in default if it commences performance within such thirty (30) day period, and thereafter diligently prosecutes the same to completion within one hundred eighty (180) days.

22. REMEDIES UPON DEFAULT AND MATERIAL BREACH.

Upon the occurrence of any Event of Default by SEATTLE TILTH, City shall have the option to pursue any one or more of the following remedies without notice or demand.

22.1 Terminate this Agreement, in which event SEATTLE TILTH shall immediately surrender the Facility to City, and if SEATTLE TILTH fails to do so, City may enter upon and take possession of the Facility and expel or remove SEATTLE TILTH and any other person who may be occupying such Facility or any part thereof, and SEATTLE TILTH agrees to pay to City on demand the amount of all loss and damage City may suffer by reason of such termination, whether through inability to relet the Facility on satisfactory terms or otherwise.

22.2 Enter upon and take possession of the Facility and expel or remove SEATTLE TILTH and any other person who may be occupying such Facility or any part thereof, and relet the Facility for such terms ending before, on or after the expiration date

of the term of this Agreement, at such rentals and upon such other conditions (including concessions and prior occupancy periods) as City in its sole discretion may determine.

22.3 Enter upon the Facility, and do whatever SEATTLE TILTH is obligated to do under the terms of this Agreement. SEATTLE TILTH agrees to reimburse City on demand for any expenses which City may incur in thus effecting compliance with SEATTLE TILTH's obligations under this Agreement, and SEATTLE TILTH further agrees that City shall not be liable for any damages resulting to SEATTLE TILTH from such action, whether caused by the negligence of City or otherwise.

22.4 Pursuit of one remedy shall not preclude pursuit of any other remedies, such remedies being cumulative and non-exclusive, nor shall pursuit of any remedy constitute a forfeiture or waiver of any rent due City or of any damages accruing to City by reason of SEATTLE TILTH's breach of this Agreement. No act or thing done by City or its agents during the term of this Agreement shall be deemed a termination of this Agreement or an acceptance of the surrender of the Facility. No agreement to terminate this Agreement or accept a surrender of said Facility shall be valid unless in writing signed by City. No waiver by City of any violation or breach of this Agreement shall be deemed or construed to constitute a waiver of any other violation or breach of any of the terms of this Agreement. City's acceptance of the payment of rental or other payments after the occurrence of an event of default shall not be deemed or construed as a waiver of such default, or as an accord and satisfaction. Forbearance by City to enforce one or more of the remedies upon an event of default shall not be deemed or construed to constitute a waiver of such default or of City's right to enforce any remedies with respect to such default or any subsequent default.

22.5 If either party employs the services of an attorney in connection with an event of default by the other party under this Agreement, or if either party brings an action or proceeding against the other party arising out of or concerning performance or interpretation of this Agreement, the prevailing party shall be entitled to recover from the other party its attorney's fees and costs.

23. SURRENDER OF FACILITY AND REMOVAL OF PROPERTY.

23.1 Surrender of Facility. Upon termination or expiration of this Agreement, SEATTLE TILTH shall surrender the Facility and all keys thereof to City.

23.2 Conditions of Facility upon Surrender. The Facility to be surrendered to City shall be surrendered in as good a condition as on the date of their acceptance by SEATTLE TILTH, except for: the effects of improvements, additions, alterations, and repairs made with the approval of City; property damage by fire and other perils insured in contracts or policies of fire, extended coverage, and vandalism; reasonable wear and tear; and acts of God.

23.3 Removal of Property. Prior to the expiration of this Agreement, or within sixty (60) days after termination in the event of an earlier termination of this Agreement, SEATTLE TILTH shall remove from the Facility, at no cost or expense to City, all personal

or agency property owned and placed in or on the Facility by SEATTLE TILTH, its agents, invitees, employees, contractors or successors. In removing such personal property, SEATTLE TILTH shall take due care to not damage or injure the Facility, and any such damage or injury shall be immediately repaired by SEATTLE TILTH to the City's reasonable satisfaction, at SEATTLE TILTH's sole cost and expense. Structural alterations, additions, and Tenant Improvements shall not be removed. In no event shall either party make any claim or demand upon the other, nor shall either party be liable for any inconvenience, annoyance, disturbance, or loss of business arising out of such removal operation during such sixty (60) day period, so long as SEATTLE TILTH uses reasonable diligence in removing its personal property from the Facility.

24. NO WAIVERS.

No action other than a written document by the City Manager or SEATTLE TILTH Executive Director specifically so stating shall constitute a waiver by a party of any particular breach or default by the other. No such document shall waive a failure to fully comply with any term or condition of this Agreement not specifically referenced therein, irrespective of any knowledge any officer or employee of a party may have of such breach, default, or noncompliance. A party's failure to insist upon full performance of any provision of this Agreement shall not be deemed to constitute consent to or acceptance of such incomplete performance in the future.

25. REMEDIES CUMULATIVE.

The rights under this Agreement are cumulative; the failure to exercise promptly any right recognized hereunder shall not operate to forfeit any such right. The use of one remedy shall not be taken to exclude or waive the right to use another.

26. OBLIGATION OF SEATTLE TILTH LIMITED TO CORPORATION.

Any and all obligations of SEATTLE TILTH under this Agreement are enforceable only against SEATTLE TILTH, a nonprofit corporation, and are not enforceable against nor do they impose any liability upon SEATTLE TILTH's officers, directors, trustees, members, employees, or agents.

27. ADDRESSES.

Unless otherwise directed in writing, all notices and reports shall be in writing, and together with any payments, shall be delivered to City at the following address:

Linda Murphy, Recreation Manager
Kirkland Parks and Community Services
City of Kirkland
505 Market Street
Kirkland, Washington 98033-6189

And to SEATTLE TILTH at the following address:

Andrea Platt Dwyer, Executive Director
SEATTLE TILTH
4649 Sunnyside Ave N., Suite 100
Seattle, Washington 98103

Either party may change its address for receipt of reports, notices or payments without the formal amendment of this Agreement by giving the other party written notice of such change not less than fifteen (15) days prior to the effective date thereof.

28. TITLES OF SECTIONS.

The titles of sections and subsections set forth herein are for convenience only, and do not in any way define, limit or construe the contents of any section.

29. AMENDMENTS.

No change, alteration, modification, or addition to this Agreement shall be effective unless it is in writing and properly signed by both parties hereto.

30. DISPUTE RESOLUTION.

In the event a dispute arises as to whether the parties are complying with the terms of this Agreement, the parties agree to use the following dispute resolution procedure before pursuing any other remedy. First, either party may give notice to the other of the dispute and the City Manager and SEATTLE TILTH President or their designees will meet within three (3) City business days to attempt to resolve the dispute. If the dispute continues, either party may give written notice to the other and a Resolution Panel will be formed consisting of one member selected by the City Manager, one member selected by SEATTLE TILTH President, and a third member selected by the first two. City shall pay any costs or fees associated with the member it selects. SEATTLE TILTH shall pay any costs or fees associated with the member it selects. City and SEATTLE TILTH shall each pay one-half of any costs or fees required for the third member. The parties agree to present the dispute to the Resolution Panel within twenty (20) calendar days after the written notice for an advisory opinion. The opinion of the Resolution Panel will be announced within ten (10) City business days and it will advise the parties as to whether or not the complained of commission or omission, if continued, would constitute breach of the terms of this Agreement. Nothing herein shall restrict either party from commencing litigation to resolve a dispute following receipt of the Resolution Panel's advisory opinion.

31. MEMORANDUM OF LEASE.

City agrees to execute and deliver to SEATTLE TILTH a Memorandum of Lease in the form attached as Exhibit A simultaneously with the execution of this Agreement. SEATTLE TILTH may, at its expense, record the Memorandum of Lease in the real estate records of King County, Washington.

32. ENTIRE AGREEMENT.

The parties hereto acknowledge that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against either party on the basis of that party's having drafted the same. This Agreement, together with all of the exhibits attached hereto, embodies the entire Agreement of the parties hereto. There are no other understandings or agreements, written or oral, between the parties regarding the Facility except as expressly referenced herein.

EXHIBIT C

Year One Scope of Work

1. Deliverables

SEATTLE TILTH will provide the following:

Year One scope of work

McAuliffe Park is a unique location that is an excellent area to provide and expand further education and opportunity around growing, cooking, composting, and environmental programming. The existing physical attributes, such as a pea patch community garden and several outdoor, indoor, and semi-covered classroom areas, lend itself well in introducing Seattle Tilth programming. There are several areas that can potentially be developed into future farm and demonstration gardens. Initial scope of services for year one include:

1. **Establishing Master Recycler Composter (MRC) Eastside trainings and outreach programs, targeting existing pea patch gardeners to educate about resource conservation and composting and expand the pea patch composting systems.**
 - a. Kirkland Parks staff responsible for pea patches indicated this is an area that all pea patch gardeners could benefit from immediately. Some pea patches have struggled with creating successful compost systems.
 - b. MRC Eastside trainings could also extend to members of the public, where McAuliffe Park would be used as the training site.
 - c. Existing composting space in the pea patch area would be used, along with possible development of additional composting systems.
2. **Introducing adult education organic gardening courses**
 - a. Pea patch gardeners and community members could be surveyed to learn what topics would be most successful.
 - b. Seattle Tilth would ideally need a demonstration garden area in which to use for classes and passive signage that highlight organic gardening techniques.
 - i. Seattle Tilth staff observed potential areas in the pea patch that appeared to be unused, which could be used for a demonstration garden.
 - ii. Another possible edible demonstration garden could be developed along the split rail fence adjacent to the pea patch. The installation could be done as a hands-on class/teaching project. The edible demonstration garden area could be used by Seattle Tilth and others to teach and encourage residents to dedicate some of their lawn space into native or edible growing areas. It could feature perennial edibles and herbs for use by Seattle Tilth programs and pea patch gardeners with educational signage.

3. Introducing Cooking and Nutrition programming

- a. Conduct outreach to community partners and residents about what their interest is in learning about cooking and nutrition with a Farm to Table focus.
 - b. From feedback collected, determine which cooking and nutrition programs best fit this audience: family cooking classes, after school cooking directed towards high school students, monthly community dinners, workshops including specific Farm to Table principles like herbs, leafy greens, root vegetables.
 - c. Provide Community Kitchen Leader trainings for interested community leaders to begin new community kitchen sites on the Eastside.
4. Prior to implementing any programming, Seattle Tilth will work conduct outreach with the following groups to assess interest areas:
- a. McAuliffe Park staff and Kirkland Parks and Recreation Staff
 - b. Pea patch gardeners at:
 - i. McAuliffe Park – 35 plots
 - ii. Ohde pea patch gardeners – 33 plots
 - iii. Tot Lot pea patch gardeners – 20 plots
 - c. Edible Kirkland
 - d. Kirkland Nourishing Network
 - e. Community stakeholders
 - i. Community centers
 - ii. Local schools
 1. Alexander Graham Bell Elementary School
 2. Eastside Preparatory School
 - iii. Local gardening groups
 1. Unofficial pea patch gardens around Kirkland
 - iv. Local churches
 1. Trinity Lutheran
 2. Holy Spirit Lutheran
 - f. Local retail outlets
 - i. PCC
 - ii. Metropolitan Market
 - iii. Local nurseries and garden stores
