CHAPTER 1: CITY COUNCIL VISION AND GOALS

1.01 Vision. Kirkland is an attractive, vibrant and inviting place to live, work and visit. Our lakefront community is a destination for residents, employees and visitors. Kirkland is a community with a small-town feel, retaining its sense of history, while adjusting gracefully to changes in the twenty-first century.

1.01 Goals. The purpose of the City Council Goals is to articulate key policy and service priorities for Kirkland. Council goals guide the allocation of resources through the budget and capital improvement program to assure that organizational work plans and projects are developed that incrementally move the community towards the stated goals. Council goals are long term in nature. The City's ability to make progress towards their achievement is based on the availability of resources at any given time. Implicit in the allocation of resources is the need to balance levels of taxation and community impacts with service demands and the achievement of goals.

1.02 In addition to the Council goal statements, there are operational values that guide how the City organization works toward goal achievement:

- **Regional Partnerships** – Kirkland encourages and participates in regional approaches to service delivery to the extent that a regional model produces efficiencies and cost savings, improves customer service and furthers Kirkland's interests beyond the our boundaries.
- **Efficiency** – Kirkland is committed to providing public services in the most efficient manner possible and maximizing the public's return on their investment. We believe that a culture of continuous improvement is fundamental to our responsibility as good stewards of public funds.
- **Accountability** – The City of Kirkland is accountable to the community for the achievement of goals. To that end, meaningful performance measures will be developed for each goal area to track our progress toward the stated goals. Performance measures will be both quantitative and qualitative with a focus on outcomes. The City will continue to conduct a statistically valid citizen survey every two years to gather qualitative data about the citizen's level of satisfaction. An annual Performance Measure Report will be prepared for the public to report on our progress.
- **Community** – The City of Kirkland is one community composed of multiple neighborhoods. Achievement of Council goals will be respectful of neighborhood identity while supporting the needs and values of the community as a whole.

The City Council Goals are dynamic. They should be reviewed on an annual basis and updated or amended as needed to reflect citizen input as well as changes in the external environment and community demographics.

CHAPTER 2: CITY COUNCIL CODE OF CONDUCT

2.01 Code of Conduct for City Council and Boards and Commissions.

The Code of Conduct is supplemental to the Kirkland Municipal Code and the Code of Ethics and applies to the City Council and all members of City advisory boards and commissions. The Code of

Conducting the City's business in an atmosphere of respect and civility is the underlying theme in this Code. City Officials are responsible for holding themselves and each other accountable for displaying actions and behaviors that consistently model the ideals expressed in the Code.

Implicit in the Code of Conduct is recognition of the worth of individual members and an appreciation for their individual talents, perspectives and contributions. All items remaining on the Consent calendar shall be approved by a single motion. Whenever an ordinance is included on the Consent calendar, approval of the calendar shall be by roll call vote.

3.07 Public Comment. The Council believes that the following procedure for public comment during regular City Council meetings will best accommodate the desires and concerns of the Council and the public:

1. During the time for "Items from the Audience," speakers may not comment on matters which are scheduled for a public hearing, or quasi-judicial matters. The Council will receive comments on other issues, whether the matter is on the agenda for the same meeting or not. When possible, items on the agenda will be marked with an asterisk when the Council cannot receive comments on such matters during the time for "Items from the Audience."
2. During the times for "Items from the Audience," whether at the beginning or end of the meeting, each speaker will be limited to three minutes. No more than three speakers may address the Council on any one subject. However, if both proponents and opponents wish

to speak, then up to three proponents and up to three opponents of the matter may address the Council. Unless it is 10:00 p.m. or later, speakers may continue to address the Council during an additional Items from the Audience period at the end of the meeting; provided, that the total amount of time allotted for the additional Items from the Audience period shall not exceed 15 minutes. A speaker who addressed the Council during the earlier Items from the Audience period may speak again, and on the same subject, however, speakers who have not yet addressed the Council will be given priority.

3. Announce the agenda item and determine if the Council wishes to receive a staff report.

4. Motions shall be reduced to writing when required by the presiding officer of the Council or any member of the Council. All resolutions and ordinances shall be in writing.

3.11 Voting. Each member present shall vote on all questions put to the Council. The duty to vote shall be excused when a Councilmember has a financial interest in the question or, in quasi-judicial matters, where a Councilmember has an appearance of fairness problem. When voting on any matter before the Council, a majority of the entire membership of the Council is required for passage of any ordinance, resolution or motion, provided that a simple majority of the members present shall be sufficient with respect to the following motions:

1. To adjourn, to table or continue a matter,
2. To go into or out of executive session,
3. To schedule a special meeting of the City Council,
4. To add or remove items on a future Council meeting agenda,
5. To approve or authorize the sending of a letter or other communication so long as the letter or communication sets forth a policy or position previously agreed to by a majority of the entire Council membership,
6. To establish the date for a public hearing, unless such hearing is required to be set by ordinance or resolution,
7. To authorize call for bids or requests for proposals, and
8. To approve a Consent calendar, provided that any ordinance, any grant or revocation of franchise or license, or any resolution for payment of money included on the Consent calendar, has first been removed.

3.12 Tie Votes. A tie vote, on a matter requiring four affirmative votes for passage, shall not be dispositive of the matter voted upon, but shall be deemed to have tabled the matter until the next succeeding regular meeting at which all seven Councilmembers are present. At that meeting, any member may move to take the matter off the table.

3.13 Non-Tie Vote with Lack of Affirmative Votes. A non-tie vote which fails for a lack of four affirmative votes, as to a matter which requires four affirmative votes for passage, shall be deemed to defeat the matter voted upon. Any Councilmember may move to reconsider the matter at the next succeeding regular meeting at which all seven Councilmembers are present.

3.14 Motions to Reconsider. Except as provided in Sections 3.12 and 3.13, motions to reconsider must be made by a member who votes with the majority, and at the same or next succeeding meeting of the Council.

3.15 Motions to Lay A Matter on the Table. Motions to lay any matter on the table shall be first in order; and on all questions, the last amendment, the most distant day, and the largest sum shall be put first.

3.16 Motion for Adjournment. A motion for adjournment shall always be in order.

3.17 Motions and Discussion by the Presiding Officer. The presiding officer, as a member of the Council may, at his or her discretion, call any member to take the chair, to allow the presiding officer to make a motion, but may otherwise discuss any other matter at issue subject only to such limitations as are imposed by these rules on other Councilmembers.

3.18 Suspension of Rules. The rules of the Council may be altered, amended or temporarily suspended by a vote of two-thirds of the members present; provided, that at least four affirmative votes be cast.

3.19 City Staff Attendance at Meeting. The City Manager, Attorney, City Clerk, and such other officers and/or employees of the City of Kirkland shall, when requested, attend all meetings of the Council and shall remain in the Council chamber for such length of time as the Council may direct.

3.20 Minutes. The City Clerk shall keep correct minutes of all proceedings. The votes of each Councilmember on any ordinance and the ayes and nays on any other question shall be entered in the minutes. Copies of the minutes shall be sent to the members of the Council prior to their next regular meeting.

3.21 Procedure for Considering Process IIA Appeals. The City Council shall consider a Process IIA appeal under Kirkland Zoning Code (KZC) Chapter 150 at one meeting, and shall vote on the appeal at the next or a subsequent meeting, in order for the Council to gather more information from the record and consider the appeal; provided, that the Council, by a vote of at least five members, may suspend this rule and consider and vote on the appeal at the first meeting. The Council's vote (to affirm, modify or reverse the decision of the Hearing Examiner, or direct the Hearing Examiner to hold a rehearing) shall occur within 60 calendar days of the date on which the letter of appeal was filed, pursuant to KZC 150.125.

3.22 Procedure for Considering Process IIB Applications. The City Council shall consider a Process IIB application under KZC Chapter 152 at one meeting, and shall vote on the application at the next or a subsequent meeting; provided, that the Council, by a vote of at least five members, may suspend this rule and consider and vote on the application at the first meeting. The Council shall first consider the application at a meeting held within 45 calendar days of the date of issuance of the Hearing Examiner's recommendations, pursuant to KZC 152.90.

CHAPTER 4: STUDY SESSIONS AND RETREATS

4.01 Study sessions. Study sessions shall be held as provided by Kirkland Municipal Code 3.10.020. Study sessions are used by the Council to review upcoming agenda items, current and future programs or projects, to discuss, investigate, review or study matters of City business for informational purposes. No final action is taken while in study session; however, the Council may provide direction to staff by consensus or vote. Council direction shall be summarized in writing and presented to the City Council at a regular meeting. Final action on direction provided at a study session will be scheduled for a regular or special council meeting.

4.02 Council retreats. Council retreats are held annually or semi-annually at the Council's discretion. The purpose of the retreats is to allow the Council to devote concentrated attention to single or multiple time consuming subjects. No final action is taken at retreats; however, the Council may provide direction to staff by consensus or vote. Council direction shall be summarized in writing and presented to the City Council at a regular meeting. Final action on direction provided at will be scheduled for a regular or special council meeting.

CHAPTER 5: COUNCIL COMMUNICATIONS

5.01 Written Correspondence. Access to the City Council by written correspondence is a significant right of all members of the general public, including in particular, residents of the City. The City Council desires to encourage the exercise of this access right by the general public to bring to the attention of the Council, matters of concern to Kirkland residents. In order to do this most effectively, some orderly procedure for the handling of written correspondence is essential. One concern of the City Council is application of the appearance of fairness doctrine to correspondence addressed to the Council, concerning matters which will be coming before the City Council in a quasi-judicial or land use hearing context. Special care in the way the content of those letters is brought to the attention of the individual members of the Council is essential in order that an unintended violation of the appearance of fairness doctrine does not result.

The Council believes that the following procedure for handling of written correspondence addressed to the Council will best accommodate the desires and concerns of the Council as set forth in this section:

1. Correspondence of an Information Only Nature - Correspondence which is purely of an informational nature and which does not require a response or action should not be placed on the Council meeting agenda by the City Clerk, but rather transmitted to the Councilmembers in the normal course of daily business.

2. Routine Requests - Items of a routine nature (minor complaints, routine requests, referrals, etc.) shall be answered by staff. Routine requests and staff responses shall be transmitted to the Councilmembers in the normal course of daily business.

3. Significant Correspondence - Correspondence that requires policy decision or approval by Council shall be placed by the Clerk on the regular Council agenda, either under New Business or if appropriate, under Unfinished Business, and shall be accompanied by staff report as are all other agenda items. Direct replies may be made by the City Manager if policy matters are not involved or the Council has previously provided policy direction. Replies shall be transmitted to the Councilmembers in the normal course of daily business.

4. Correspondence Directly Relating to Quasi-Judicial Hearing Matters - All such correspondence when so identified by the City Clerk shall be listed by name and reference to hearing matter on the Consent agenda under the item Written Correspondence relating to quasi-judicial matters. Copies of such correspondence shall not then be included within the agenda materials, but shall be placed in a City Council communication holding file, or directly into the appropriate hearing file, so that they will be circulated to City Councilmembers at the time that the matter comes before the City Council for its quasi-judicial consideration, and as a part of the hearing record for that matter. The City Clerk shall also advise the sender of each such letter, that the letter will be coming to the attention of the City Council at the time that the subject matter of the letter comes before the Council in ordinary hearing course.

5. Prompt Acknowledgments – The City Manager will promptly acknowledge the receipt of all written correspondence and inquiries and, where appropriate, advise the writer of referral to the City Council or a City department.

5.02 Council Communications with the Public. The Kirkland City Councilmembers are committed to open and progressive communications in their capacity as elected officials. Individual Councilmembers use a variety of methods to communicate with the public, stakeholders, partners and the media. Social media platforms offer a way to deliver public information and customer service to constituents and give citizens another means to interact with their government. The purpose of this policy is to provide guidelines for Council communication with the public, when Councilmembers are acting in their official capacity or commenting on City government matters, through traditional media outlets or the use of social media platforms through personal accounts or pages.

The Council believes that the following guidelines will provide consistency in procedures and allow for use of more tools to communicate with the public.

1. The content and tenor of all public communications should model the same professional behavior displayed during Council meetings and community meetings and reflect well on the individual Councilmember, the City Council as a whole and the community.
2. The following disclaimers should be included in whole or referenced with a link to the disclaimers for all communications initiated by Councilmembers in open forums.

- a. The views expressed represent the views of the author and may not reflect the views of the Kirkland City Council.
 - b. Responses to this communication by other Councilmembers may be limited by the provisions of the Open Public Meetings Act under which a policy discussion must be held in an open public meeting if a quorum of the City Council participates.
 - c. Comments posted in response to a Councilmember-initiated communication may be subject to public disclosure under the Public Records Act.
3. Media outlets such as newspapers, radio and television news coverage may be used as communications medium by individual Councilmembers provided that the communication clearly states that the views expressed do not represent those of the City Council or the City of Kirkland but the views of the individual Councilmember.
4. Communications Initiated by Councilmembers. Guest editorials, letters to the editor and blog posts published by Councilmembers should be provided to the full City Council at the same time they are delivered to the media outlet. Drafts of guest editorials, letters to the editor or blog posts may not be circulated for comment by a quorum of the Council prior to publication as this may violate the Open Public Meetings Act.
5. Use of Social Media. Posts to social media sites (Web 2.0) such as blogs, Facebook and Twitter may be used by individual Council members to communicate with the public provided the following guidelines are used:
- a. Blog posts or other posts to social media sites should include, or reference by a link, the disclaimers listed in Section 2.
 - b. Social media sites are not to be used for the conduct of City Council business other than to informally communicate with the public. Public notices, items of legal or fiscal significance that have not been released to the public and discussion of quasi-judicial matters may not be included in Councilmembers social media posts. Councilmembers are encouraged to maintain social media sites with settings that can restrict users' ability to comment in order to avoid inadvertent discussions of these items. Unsolicited public comments on quasi-judicial matters must be placed on the record by the Councilmember at the time the matter is before the City Council for consideration.
 - c. In order to demonstrate openness and a willingness to listen to the entire community, Councilmember posts on social media sites should be made through a public-facing page or by marking individual posts as available to the public as a whole.
 - d. When commenting on a post or an article published by someone other than a Councilmember, a link to the standard disclaimers in Section 2 should be included within the thread.
6. If a Councilmember makes a factual error in a public communication, it should be corrected as soon the error comes to light. Blog posts may be corrected by amending a previous post with a note that a correction was made.

7. Retention of Council Electronic Communications and Social Media Content. All email and text messages, files downloaded from outside sources and other electronic files, relating to the conduct of government or the performance of any governmental or proprietary function, are considered official City business records and are subject to the Washington State Public Records Act and the laws governing the retention and destruction of public records.¹
 - a. Email messages sent or received via City email addresses are captured by the City archiving system servers. Council communications are potentially archival and will be retained in accordance with the State retention schedule.
 - b. Email messages sent or received using personal addresses should be forwarded to the member's City account, but should also be maintained in their original form to preserve associated metadata. Attachments should be saved to City server drives as appropriate.
 - c. Text message records are maintained by the communications carrier/providers with varying policies and practices, and can be difficult to retrieve and to maintain in accordance with State law. At this time, Councilmembers should only use text messaging for transitory communications and not to discuss City business.
 - d. Social Media postings should be captured via screen shots which are emailed to, and retained in, the Councilmember's City email account as an interim archiving method pending selection of an appropriate social media archiving technology solution.
 - e. Members should consult with the City Clerk's Office for assistance with any retention questions.
8. Use of City-owned equipment to update personal social media sites or email accounts is subject the Administrative Policy 7.1 which allows for incidental use of City equipment for personal needs provided the activity does not the City to additional cost or liability or pose additional risk to security, privacy or conflict with any other City policy. Use of City-owned equipment or email accounts for campaign purposes is prohibited by RCW 42.17A.555.

CHAPTER 6: PROCLAMATIONS

6.01 A proclamation is a formatted certificate, issued by the Mayor, to give recognition and support to ceremonial occasions and special events, or to raise awareness about concerns of interest to the community as a whole. Proclamations are symbolic; no official policy, action or legal act is imparted or intended as a result.

1. All proclamations will be issued at the discretion of the Mayor.
2. Proclamations can recognize international, national, state, and local events, as well as matters of historical interest, in order to bring them to the attention of Kirkland citizens. Proclamation content should relate to a public purpose or benefit.

¹ "Public record" is broadly defined in RCW 42.56.010(3) to include, ". . . any writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics. . . "

3. A proclamation that has not previously been issued by the Mayor of Kirkland shall be reviewed by the Mayor and Deputy Mayor for content to ensure that it does not conflict with an adopted policy position of the Kirkland City Council.

CHAPTER 7: COUNCIL COMMITTEES

CITY COUNCIL COMMITTEE APPOINTMENTS

7.01 Purpose and Relationship to City Council.

Committees are advisory and do not take action on behalf of the Council. The purpose of Council Committees is to review matters in detail and to make reports to the full Council for possible Council actions. Council Committees may be standing committees or ad hoc committees are appointed for special or time-limited subjects. Ad hoc committees are disbanded when they complete their assigned task.

There are five standing Council Committees:

- Finance and Administration
- Public Safety
- Planning and Economic Development
- Public Works, Parks and Human Services
- Legislative

Committee topics are developed through a collaborative process between the City Council and staff or by referral by the City Council. All topics referred to Council Committees will have final consideration before the full Council after receiving a report from the Council Committee. The chair of each Council Committee is responsible for reporting to the City Council, at a regular meeting, the topics discussed and results of the committee's most recent meeting. Meeting minutes for every Council Committee meeting will be posted to the City Council's internal web page along with a list of current and future topics being discussed by each committee.

7.02 Appointment Process.

Council Committee appointments are generally for a two-year period. Unless a vacancy occurs, Council Committee appointments are made every even-numbered year to coincide with the Council selection of the Mayor. Immediately following the first regular Council meeting in even-numbered years, City Council members should let the Mayor know about their interests in serving on the various City Council and regional committees. The Mayor and Deputy Mayor will then meet to consider committee appointments and they will develop a recommended list of committee appointments. This list of recommended appointments will then be presented at the second City

Council meeting in January for Council's consideration at which time the committee appointments will be made by the City Council.

If a vacancy should occur during the year, this appointment opportunity should be announced at a Council meeting. Those Council members that are interested in filling this position should let the Mayor know before the next City Council Meeting. The Mayor and Deputy Mayor will make a recommendation for City Council's consideration to fill this vacancy at that following Council meeting.
