

TOWN OF KIRKLAND

ORDINANCE NO. 316

An Ordinance granting to UNION OIL COMPANY OF CALIFORNIA, a corporation, permission to locate, construct, operate, maintain, repair, renew and remove pipe lines for the transportation of oils, fuels, water, and other liquid petroleum products therethrough, along, across, under and within Lake Avenue and Jackson Street:

The Mayor and Town Council of the Town of Kirkland do hereby ordain as follows:

Section 1: That Union Oil Company of California, a corporation, is hereby given and granted the permission and right to locate, construct, lay down, operate, maintain, repair, renew and remove any number of pipes and pipe lines not exceeding ~~seven~~ and of any size, not exceeding six (6) inches in internal diameter each, for the transportation of gasoline, distillate, kerosene, fuel oil, diesel, water and other fluids and liquids therethrough, in, along, across, under, through and within any portion of the entire width of Jackson Street extending the full length of Lot Six (6) in Block One (1) of Curtis Addition to the Town of Kirkland, and in, along, across, under, through, and within any portion of the entire width of Lake Avenue, extending the full width of Lots Five (5) and Six (6) in Block One (1) of Curtis Addition to the Town of Kirkland, and the right to hereafter repair, replace, renew and remove said pipe lines at any time the same shall be necessary or convenient, said pipe lines to be buried to a depth of approved by city engineer inches under the surface of the portions of said streets that are now used for general travel.

Section 2: The Town of Kirkland reserves the right to change the grade of any street or portion thereof along which

said pipes and pipe lines shall be laid; and in the event that the change of such grade of any street along and under which said pipes and pipe lines may be laid, shall, in the opinion of the City Engineer of the Town of Kirkland render necessary any change in the position of said pipes and pipe lines, the grantee shall shift or move the same to another location in such street at its own cost and expense and to the satisfaction of said City

Engineer. *Any damage to the water pipes or sewers of the Town of Kirkland resulting from the installation of said pipe lines shall be repaired by the Company*

Section 3: This Ordinance shall take effect immediately

upon the publication hereof and a written acceptance of its provisions on the part of the said Union Oil Company of California duly executed by its authorized agent.
