This form is to be used only with the standard general conditions of the contract for construction of buildings.

THIS AGREEMENT made the TENTH
day of DECEMBER in the year Nineteen Hundred and 60
by and between ED BREHM doing business as BREHM CONSTRUCTION COMPANY
hereinafter called the Contractor, and THE CITY OF KIRKLAND,
WASHINGTON (a City of the Third Class) hereinafter called the Owner,

WITNESSETH, that the Contractor and the Owner for the considerations hereinafter named agree as follows:

ARTICLE I. SCOPE OF THE WORK

The Contractor shall furnish all of the materials and perform all of the work shown on the Drawings and described in the Specifications entitled A Fire Station for the City of Kirkland

General work including Alternates 3, 4, and 5 and Addendum 1 through

(Here insert the caption descriptive of the work as shown on the Drawings and in the other Contract Documents)

5 inclusive

prepared by CUMMINGS & MARTENSON
acting as and in these Contract Documents entitled the Architect; and shall do everything required by this Agreement, the General Conditions of the Contract, the Specifications and the Drawings.

* Formal approval, which has been given previous editions, has not yet been received from all of these organizations.

ARTICLE 2. TIME OF COMPLETION

The work to be performed under this Contract shall be commenced Five (5) days after receipt of Notice to proceed and shall be substantially completed within Five (5) calendar months from and after effective date of this Contract. (Here insert stipulation as to liquidated damages, if any.) For each calendar day after the day fixed for completion that the work remains uncompleted, the Contractor shall pay to the Owner the sum of **TWENTY-FIVE (\$25.00) DOLLARS** as fixed agreed liquidated damages but not as a penalty. Should an extension of time be granted to the Contractor, he shall indemnify and save harmless the Owner for any loss to any other Contractor caused by such extension of time.

ARTICLE 3. THE CONTRACT SUM

The Owner shall pay the Contractor for the performance of the Contract, subject to additions and deductions provided therein, in current funds as follows: *Seventy four thousand Seven hundred Ninety Eight Dollars* **The sum of SEVENTY FOUR THOUSAND THREE HUNDRED SEVENTY-FOUR (\$70,374.00) DOLLARS SUBJECT TO A UNIT PRICE variation of \$2.25 per foot as to piling in accordance with ITEM 7 of Addendum No. 1.** (State here the sum, unit prices, or both, as desired in individual cases.)

Where the quantities originally contemplated are so changed that application of the agreed unit price to the quantity of work performed is shown to create a hardship to the Owner or the Contractor, there shall be an equitable adjustment of the Contract to prevent such hardship.

ARTICLE 4. PROGRESS PAYMENTS

The Owner shall make payments on account of the Contract as provided therein, as follows:

On or about the**8th**..... day of each month**85%**..... per cent of the value, based on the Contract prices of labor and materials incorporated in the work and of materials suitably stored at the site thereof up to the ...**First... (1st)**..... day of that month, as estimated by the Architect, less the aggregate of previous payments; and upon substantial completion of the entire work, a sum sufficient to increase the total payments to ...**85%**..... per cent of the Contract price.....

(Insert here any provision made for limiting or reducing the amount retained after the work reaches a certain stage of completion.)

ARTICLE 5. ACCEPTANCE AND FINAL PAYMENT

Final payment shall be due**30**..... days after substantial completion of the work provided the work be then fully completed and the contract fully performed.

Upon receipt of written notice that the work is ready for final inspection and acceptance, the Architect shall promptly make such inspection, and when he finds the work acceptable under the Contract and the Contract fully performed he shall promptly issue a final certificate, over his own signature, stating that the work provided for in this Contract has been completed and is accepted by him under the terms and conditions thereof, and that the entire balance found to be due the Contractor, and noted in said final certificate, is due and payable.

Before issuance of final certificate the Contractor shall submit evidence satisfactory to the Architect that all payrolls, material bills, and other indebtedness connected with the work have been paid.

If after the work has been substantially completed, full completion thereof is materially delayed through no fault of the Contractor, and the Architect so certifies, the Owner shall, upon certificate of the Architect, and without terminating the Contract, make payment of the balance due for that portion of the work fully completed and accepted. Such payment shall be made under the terms and conditions governing final payment, except that it shall not constitute a waiver of claims.
