

AN ORDINANCE OF THE CITY OF KIRKLAND, WASHINGTON, RELATING TO THE KIRKLAND SEWER SYSTEM, ESTABLISHING RATES AND FEES TO BE CHARGED, THE MANNER OF PAYMENT AND PENALTIES FOR NON-PAYMENT OF SAME, AND REPEALING CERTAIN PRIOR ORDINANCES.

Section 1. The owner of each lot or parcel of real property within the area served by the Sewerage System of the City of Kirkland, upon which such lot or parcel of property there shall be situated any building or structure for human occupation, or use for any purpose, shall, at his own expense, install suitable toilet facilities therein and connect the same directly with the proper public sewer in accordance with the provisions and specifications of ORDINANCE NO. 874 of the CITY OF KIRKLAND, within sixty (60) days after date of official notice to do so, provided that said public sewer is within 200 feet of the property line; the fee to be paid to the City of Kirkland for such connection, as required in said ORDINANCE NO. 874, shall be FIFTY (\$50.00) DOLLARS. If any applicant has participated in the cost of the sewer main extension to which connection is to be made he shall receive credit to the amount of such participation towards the connection fee charged.

(c) Exceptions: General. Section 3. Charges for sanitary sewerage services (as well as all other utility services) furnished by the City of Kirkland shall be billed to the owner of the property to which the services are rendered provided

Section 4. All charges for sanitary sewerage services furnished by the City of Kirkland (as well as all other utilities services) shall be due and payable to the Utilities Supervisor of the City of Kirkland on date shown on the face of the bill. If the delinquent charges and penalty are still unpaid at the close of business on the 30th day following said billing date, the services shall be discontinued and the water shut off without notice. Services will not be resumed until all delinquent charges and penalties together with a fee of \$10.00, shall have been paid. All billings shall be completed to the nearest five (5¢) cents.

Section 5. All charges for connections and for sewerage service, penalties levied pursuant to R.C.W. 35.67.190 and other penalties in this Ordinance provided, including interest thereon, shall be a lien upon the property for which such connection is made or sewerage service rendered, respectively, superior to all other liens and encumbrances whatsoever, except for general taxes and local and special assessments. The Superintendent of the Utilities Accounting Division or the City Clerk is hereby authorized and directed, prior to the expiration of six (6) months from the first day of the first month for which such charges are unpaid, to certify to the Auditor of King County, Washington, all such charges as a lien upon such property in the manner provided for in R.C.W. 35.67.200 et seq. and such property shall be subject to foreclosure pursuant to the terms of such Chapter.

Section 6. The City of Kirkland shall have authority to decide any question which may arise and which is not fully covered by the provisions of this Ordinance and its decision in such cases shall be final.

Ordinances Nos. 457, 480, 517, 572, 596, 604, 611 and 877, together with all other Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

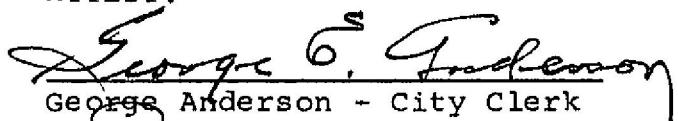

Section 8. This Ordinance shall take effect and be in force five (5) days from and after its passage by the City Council, approval by the Mayor and posting or publication as required by law, provided, however, that the rates herein established shall become effective as of January 1st, 1963.
