11TH PLACE from 3rd Street easterly approximately 750 lineal feet to 4th Street.

Section 4. The plans and specifications for the improvements described in Sections 1 and 3 above as prepared by

the City Engineer and now on file, are hereby adopted and approved.

Section 5. There is hereby established a local improvement district of the city, to be known as "Local Improvement District No. 100," which said district shall include all the property described in Section 2 above.

Section 6. Of the total cost of the improvements described in Sections 1 and 3 above, approximately, but in no event to exceed, the amount of \$460,000 shall be borne by and assessed against the property within the district specially benefited by said improvements, and the remainder of the cost of such improvements shall be borne by the City of Kirkland.

The cost of all trunk storm sewers, herein defined to be all storm sewers larger than 12 inches in diameter, the cost of all catch basins located in intersections and the cost of all connecting lines from such catch basins to storm sewers shall be included in that part of the total cost of the improvements in this district which shall be borne by the City of Kirkland.

The nature of the improvements to be constructed and installed pursuant to this ordinance is such that the special benefits conferred on the property within this local improvement district are not fairly reflected by the use of zone and termini method of computing assessments, and assessment shall be made against the property of the district in accordance with the special benefits it will derive from the respective improvements without regard to the zone and termini method.

Section 7. There is hereby created a fund of the city to be known as "Local Improvement District No. 100 Fund" into which fund there shall be paid all of the assessments collected in said district as and when directed by the ordinance confirming said assessments and the assessment roll therefor.

Interim revenue warrants bearing interest at a rate of not to exceed 6% per annum shall be drawn upon said fund based upon estimates of the City Engineer and shall be issued and

sold to furnish moneys for the payment of the costs of construction and installation of said improvements and costs incidental thereto as same shall be incurred. The proceeds of sale of such interim revenue warrants shall be deposited in said fund and cash warrants drawn thereon in payment of such costs.

Upon completion of the improvements and after the expiration of the 30-day assessment prepayment period, installment notes or bonds of said local improvement district bearing interest at a rate of not to exceed 6% per annum and payable on or before twelve years from date of issue shall be issued for the redemption of the outstanding revenue warrants and shall be payable both principal and interest by the collection of special assessments to be levied and assessed upon the property within the district payable in ten equal annual installments with interest at a rate of not to exceed 6% per annum, all as provided by law and ordinances of the city. If bonds are issued they shall be in denominations of \$1,000 each, except for bond No. 1, the denomination of which shall be hereafter provided by resolution of the city council.

Section 8. This ordinance shall become effective five days from and after its passage, approval and publication.

PASSED by the Council of the City of Kirkland, Washington and approved by its Mayor at a regular meeting of said council held this 21st day of August, 1967.

Section 4 The plans and specifications for the improvements described in Sections 1 and 3 above as prepared by the City Engineer and now on file, are hereby adopted and approved.

Section 5 There is hereby established a local improvement district of the city, to be known as "Local Improvement District No. 100", which said district shall include all the property described in Section 2 above.

Section 6. Of the total cost of the improvements described in Sections 1 and 3 above, approximately, but in no event to exceed, the amount of \$460,000 shall be borne by and assessed against the property within the district, specially benefited by said improvements, and the remainder of the cost of such improvements shall be borne by the City of Kirkland.

The cost of all storm sewers, herein defined to be all storm sewers larger than 12 inches in diameter, the cost of all catch basins located in intersections and the cost of all connecting lines from such catch basins to storm sewers shall be included in that part of the total cost of the improvements in this district which shall be borne by the City of Kirkland.

The nature of the improvements to be constructed and installed pursuant to this ordinance is such that the special benefits conferred on the property within this local improvement district are not fairly reflected by the use of zone and termimi method of computing assessments, and assessments shall be made against the property of the district in accordance with the special benefits it will derive from the respective improvements without regard to the zone and termimi method.

Section 7. There is hereby created a fund of the city to be known as "Local Improvement District No. 100 Fund" into which fund there shall be paid all assessments collected in said district as and when directed by the ordinance confirming said assessments and the assessment roll therefor.

Interim revenue warrants bearing interest at a rate of not to exceed 6% per annum shall be drawn upon said fund based upon estimates

of the City Engineer and shall be issued and sold to furnish moneys for the payment of the costs of construction and installation of said improvements and costs incidental thereto as same shall be incurred. The proceeds of said of such interim revenue warrants shall be deposited in said fund and cash warrants drawn thereon in payment of such costs.

Upon completion of the improvements and after the expiration of the 30-day assessment prepayment period, installment notes or bonds of said local improvement district bearing interest at a rate of not to exceed 6% per annum and payable on or before twelve years from date of issue shall be issued for the redemption of the outstanding revenue warrants and shall be payable both principal and interest by the collection of special assessments to be levied and assessed upon the property within the district payable in ten equal annual installments with interest at a rate of not to exceed 6% per annum, all as provided by law and ordinances of the city. If bonds are issued they shall be in denominations of \$1,000 each, except for bond No. 1; the denomination of which shall be hereafter provided by resolution of the city council.

Section 8. This ordinance shall become effective five days from and after its passage, approval and publication.
