SPECIFICATIONS FOR MUNICIPAL PUBLIC WORKS CONSTRUCTION
AND AMENDING SECTION ONE OF ORDINANCE NO. 911.

BE IT ORDAINED by the City Council of the City
of Kirkland, as follows:

Section. Section 1 of Ordinance No. 911,
adopted July 15, 1963, be and it hereby is amended to
read as follows:

Section 1. (a) Except as hereinafter provided,
all public works construction, including but not limited
to streets, sewers and water distribution system in the
City of Kirkland shall conform to the Standard Specifications
for Municipal Public Works Construction of the Washington
State Chapter of the American Public Works Association
published in 1969, including any future amendments, modifica-
tions or changes thereof adopted and issued by said
Association.

(b) Specifications which modify, change or sub-
stitute for the standard specifications hereinabove adopted
may be established for a particular Public Works project
when the use of such nonstandard specifications is, in the
opinion of the Director of Public Services, beneficial to
the public interest. All nonstandard specifications shall
be clearly identified as such and shall be set forth in full
detail and as a part of the special conditions prepared for
such project. In all such cases, the special conditions
shall be specially approved by the City Council prior to
the authorization to call for bids.

Section 2. Ordinance No. 911 is in all other
respects hereby ratified and confirmed, together with the
supplemental detail specifications adopted by Ordinance
No. 1083 which shall remain in full force and effect.

Section 3. This ordinance shall take effect
5 days from and after its passage by the Council and
publication as required by law.

PASSED by the City Council at their regular
meeting on the 18th day of August, 1969.

SIGNED in authentication thereof on the 18th day of August, 1969.
