

ORDINANCE NO. 2607

AN ORDINANCE OF THE CITY OF KIRKLAND RELATING TO GARBAGE REFUSE AND SOLID WASTE DISPOSAL AND COLLECTION AND ADDING A NEW SECTION TO CHAPTER 16.08 OF THE KIRKLAND MUNICIPAL CODE.

Be it ordained by the City Council of the City of Kirkland as follows:

Section 1. There is hereby added to Chapter 16.08 of the Kirkland Municipal Code a new section to read as follows:

"16.08.075 Garbage and refuse containers--placement--commercial and other non-single family residential establishments. The following provisions apply to all commercial and other non-single family residential premises, establishments and/or structures:

A. Refuse including garbage and rubbish may only be stored for disposal collection in authorized garbage cans and/or detachable containers. Plastic bags may not be used except as liners for garbage cans. Rubbish (containing no garbage) may also be stored in plastic bags provided the plastic bags meet the requirements of Section 16.04.120.

B. It shall be the duty of the owner or occupant as his agent, to establish and at all times maintain on the premises, a storage site for garbage cans and/or containers consistent with the provisions of Section 16.08.070. The Kirkland building department shall not issue any building permit or certificate of occupancy to any commercial or other non-single family residential structure or establishment until there has been filed with the City, a diagram of the property, structure or establishment showing the location of the designated container storage area. The City's contract garbage collector shall, upon request and without cost, make available to the owner or occupant, technical engineering and planning assistance in respect to the design and planning of garbage and/or refuse container storage areas.

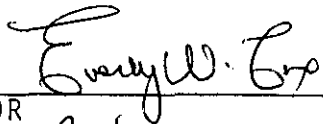

C. Garbage cans and/or containers may be placed on the sidewalk, alley or street for collection only when no other collection point is feasible. Containers shall not be placed on the sidewalk or at the curb line, nor in the alley or street prior to 30 minutes before scheduled pickup unless the container is an authorized litter receptacle conforming to the requirements of RCW 7.93 Model Litter Control Act

and the regulations issued thereunder by the Department of Ecology (WAC 173-310)."

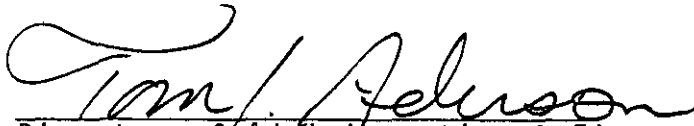

Section 2. This ordinance shall be in force and effect five days from and after its passage by the City Council and posting or publication as required by law.

Passed by majority vote of the Kirkland City Council in regular meeting on the 20th day of July, 1981.

Signed in authentication thereof on the 20th day of July, 1981.
