CENTRAL HOUGHTON

PLANNED AREA 1: Northwest College

Discussion of "planned area" concept.

Within ~~the~~ Central Houghton ~~area~~, one tract of land has been designated as a "planned area." This designation is based on unique conditions including interface conflicts, large parcel ownerships, traffic patterns, topographic conditions, and other factors which may influence future development of the land. The complex problems unique to this Planned Area can be overcome best through coordinated development of the whole area.

Northwest College is designated as a Planned Area because of its broad impacts on adjacent areas.

Northwest College provides a unique educational environment within the City. The College has been designated as a Planned Area due to the size of the facility and the magnitude of potential impacts on the surrounding residential areas. Facilities associated with the College include dormitories, offices and classroom buildings. The Planned Area designation will permit the application of special development procedures and standards to minimize adverse impacts resulting from the natural growth and operation of the facility.

An updated Master Plan showing the future development of Northwest College was approved by the City Council on April 2, 1979 under Ordinances 2452, 2453, and 2454.

Further revisions, including addition of a headquarters and practice facility for the Seattle Seahawks, were approved on August 12, 1985. Future development on the campus is to be reviewed by the City to insure consistency with the approved Master Plan and the adopting resolution.
