Whereas the City of Kirkland in 1985 decided to review its existing policy of prohibiting the use of boats and other vessels as places of habitation while moored within the City; and

Whereas, by Ordinance 2892, the City provided that pending such review, the prohibition should not apply under certain specific circumstances; and

Whereas, the City Council for the City of Kirkland has completed said review and determined not to change its existing policy prohibiting the use of boats and other vessels as places of human habitation while moored within the City, now, therefore,

Be it ordained by the City Council of the City of Kirkland as follows:

Section 1. Section 14.44.040 of the Kirkland Municipal Code be and it hereby is amended to read as follows:

14.44.040 Vessels and watercraft not to be used for habitation. No boat, vessel, watercraft or houseboat moored in or off the shoreline of Kirkland shall be used as a place of habitation; provided, however, that [until completion of the presently scheduled review of the Kirkland Shoreline Master Program or January 15, 1986, whichever shall first occur,] this section shall not apply until January 1, 1987 to any owner-occupied boat, vessel or similar watercraft (houseboats excluded):

Section 2. This ordinance shall be in force and effect five days from and after its passage by the Kirkland City Council and publication, as required by law.
