repealed and there is hereby created a new  
section 12.44.070 to read as follows:

No person shall park a vehicle or  
permit a vehicle under his or her control  
to be or remain parked on the streets in  
violation of parking zone restrictions or  
the provisions of Sections 12.44.060  
through 12.44.100. For imposition of the  
penalties provided in Section 12.44.085,

vehicle at the time of the violation was

Section 3. There is hereby created a new  
section 12.44.095 to read as follows:

There shall be a prima facie presumption that time marks which are missing were erased because of their meaning in parking enforcement.

Section 4. There is hereby created a new section 12.04.040 to read as follows:

In any traffic infraction case under this Chapter, a showing that the particular vehicle described in the Notice of Traffic Infraction was in violation of a provision of this Chapter relating to stopping, standing or parking of a vehicle, together with a showing of registered ownership of the vehicle at the time of the violation, shall constitute in evidence a prima facie presumption that the registered owner of the vehicle was the person who parked or placed the vehicle at the point where, and for the time during which, the violation occurred.

Section 5. Severability. If any provision of this Ordinance or its application to any person or circumstance is held invalid, the remainder of the ordinance or the application of the provision to other persons or circumstances is not affected.
