- (14) The value of a sold forfeited vehicle is the sale price. The value of a retained forfeited vehicle is the fair market value of the vehicle at the time of seizure, determined when possible by reference to an applicable commonly used index, such as the index used by the department of licensing. A seizing agency may, but need not, use an independent qualified appraiser to determine the value of retained vehicles. If an appraiser is used, the value of the vehicle appraised is net of the cost of the appraisal.

The court shall not admit evidence of this defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.~~

~~(4) Analyses of blood or breath samples obtained more than two hours after the alleged driving may be used as evidence that within two hours of the alleged driving, a person had 0.10 grams or more of alcohol per two hundred ten liters of breath or 0.10 percent or more of alcohol in the person's blood, pursuant to subsection (1)(a) and (b) of this section, and may be used as evidence that a person was under the influence of or affected by intoxicating liquors or any drug pursuant to subsection (1)(c) and (d) of this section. A person is guilty of driving while under the influence of intoxicating liquor or any drug if the person drives a vehicle within this state:~~

The court shall not admit evidence of this

defense unless the defendant notifies the prosecution prior to the omnibus or pretrial hearing in the case of the defendant's intent to assert the affirmative defense.

~~(2) The fact that any person charged with a violation of this section is or has been entitled to use such drug under the laws of this state shall not constitute a defense against any charge of violating this section. No person may be convicted under this section if, prior to being pursued by a law enforcement officer, the person has moved the vehicle safely off the roadway.~~

~~(3) It is an affirmative defense to a violation of subsection (1)(a) and (b) of this section which the defendant must prove by a preponderance of the evidence that the defendant consumed a sufficient quantity of alcohol after the time of being in actual physical control of a motor vehicle and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.10 or more within two hours after being in actual physical control of a motor vehicle. (3) It is an affirmative defense to a violation of subsection (1)(a) of this section which the defendant must prove by a preponderance of the evidence that the defendant consumed a sufficient quantity of alcohol after the time of being in actual physical control of the vehicle and before the administration of an analysis of the person's breath or blood to cause the defendant's alcohol concentration to be 0.10 or more within two hours after being in such control. (2) Upon receipt of the surrendered license, and following the expiration of any period of license suspension or revocation, or following receipt of a sworn statement under section 12 of this act that requires issuance of a probationary license, the department shall issue the person a probationary license if otherwise qualified. The probationary license shall be renewed on the same cycle as the person's regular license would have been renewed until five years after the date of its issuance.

(3) For each issue or reissue of a license under this section, the department may charge the fee authorized under RCW 46.20.311 for the reissuance of a license following a revocation for a violation of RCW 46.61.502 or 46.61.504.

(4) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status, including the period of that status, for a violation of RCW 46.61.502 or 46.61.504 or section 12 of this act. That fact that a person has

been issued a probationary license shall not be a part of the person's record that is available to insurance companies.

PART III—ASSESSMENT AND TREATMENT

NEW SECTION. Sec. 9. A new section is added to chapter 46.61 RCW to read as follows:

(1) A person subject to alcohol assessment and treatment under section 4, 5, or 6 of this act shall be required by the court to complete a course in an alcohol information school approved by the department of social and health services or to complete more intensive treatment in a program approved by the department of social and health services, as determined by the court. The court shall notify the department of licensing whenever it orders a person to complete a course or treatment program under this section.

(2) A diagnostic evaluation and treatment recommendation shall be prepared under the direction of the court by an alcoholism agency approved by the department of social and health services or a qualified probation department approved by the department of social and health services. A copy of the report shall be forwarded to the department of licensing. Based on the diagnostic evaluation, the court shall determine whether the person shall be required to complete a course in an alcohol information school approved by the department of social and health services or more intensive treatment in a program approved by the department of social and health services.

(3) Standards for approval for alcohol treatment programs shall be prescribed by the department of social and health services. The department of social and health services shall periodically review the costs of alcohol information schools and treatment programs.

(4) Any agency that provides treatment ordered under section 4, 5, or 6 of this act, shall immediately report to the appropriate probation department where applicable, otherwise to the court, and to the department of licensing any noncompliance by a person with the conditions of his or her ordered treatment. The court shall notify the department of licensing and the department of social and health services of any failure by an agency to so report noncompliance. Any agency with knowledge of noncompliance that fails to so report shall be fined two hundred fifty dollars by the department of social and health services. Upon three such failures by an agency within one year, the department of social and health services shall revoke the agency's approval under this section.

(5) The department of licensing and the department of social and health services may adopt such rules as are necessary to carry out this section.

PART IV—ADMINISTRATIVE REVOCATION

NEW SECTION. Sec. 10. A new section is added to chapter 46.20 RCW to read as follows:

(1) Notwithstanding any other provision of this title, a person under the age of twenty-one may not drive, operate, or be in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or above.

(2) A person under the age of twenty-one who drives or is in physical control of a motor vehicle within this state is deemed to have given consent, subject to the relevant portions of RCW 46.61.506, to be detained long enough, and be transported if necessary, to take a test or tests of that person's blood or breath for the purpose of determining the alcohol concentration in his or her system.

(3) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the driver, has reasonable grounds to believe that the driver was driving or in actual physical control of a motor vehicle while having alcohol in his or her system.

(4) The law enforcement officer requesting the test or tests under subsection (2) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person's driver's license or driving privilege being revoked.

(5) If the person refuses testing, or submits to a test that discloses an alcohol concentration of 0.02 or more, the law enforcement officer shall:

(a) Serve the person notice in writing on behalf of the department of licensing of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive;

(b) Serve the person notice in writing on behalf of the department of licensing of the person's right to a hearing, specifying the steps required to obtain a hearing;

(c) Confiscate the person's Washington state license or permit to drive, if any, and issue a temporary license to replace any confiscated license or permit. The temporary license shall be valid for thirty days from the date of the traffic stop or until the suspension or revocation of the person's license or permit is sustained at a hearing as provided by subsection (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit it replaces;

(d) Notify the department of licensing of the traffic stop, and transmit to the department any confiscated license or permit and a sworn report stating:

(i) That the officer had reasonable grounds to believe the person was driving or in actual physical control of a motor vehicle within this state with alcohol in his or her system;

(ii) That pursuant to this section a test of the person's alcohol concentration was administered or that the person refused to be tested;

(iii) If administered, that the test indicated the person's alcohol concentration was 0.02 or higher; and

(iv) Any other information that the department may require by rule.

(6) Upon receipt of the sworn report of a law enforcement officer under subsection (5) of this section, the department shall suspend or revoke the driver's license or driving privilege beginning thirty days from the date of the traffic stop or beginning when the suspension, revocation, or denial is sustained at a hearing as provided by subsection (7) of this section. Within fifteen days after notice of a suspension or revocation has been given, the person may, in writing, request a formal hearing. If such a request is not made within the prescribed time the right to a hearing is waived. Upon receipt of such request, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system, whether the person refused to submit to the test or tests upon request of the officer after having been informed that the refusal would result in the revocation of the person's driver's license or driving privilege, and, if the test or tests of the person's breath or blood was administered, whether the results indicated an alcohol concentration of 0.02 or more. The department shall order that the suspension or revocation of the person's driver's license or driving privilege either be rescinded or sustained. Any decision by the department suspending or revoking a person's driver's license or driving privilege is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during the pendency of the hearing and appeal. If the suspension or revocation of the person's driver's license or driving privilege is sustained after the hearing, the person may file a petition in the superior court of the county of arrest to review the final order of suspension or revocation by the department in the manner provided in RCW 46.20.334.

(7) The department shall suspend or revoke the driver's license or driving privilege of a person as required by this section as follows:

(a) In the case of a person who has refused a test or tests:

(i) For a first refusal within five years, revocation for one year;

(ii) For a second or subsequent refusal within five years, revocation or denial for two years.

(b) In the case of an incident where a person has submitted to a test or tests indicating an alcohol concentration of 0.02 or more:

- (i) For a first incident within five years, suspension for ninety days;
- (ii) For a second or subsequent incident within five years, revocation for one year or until the person reaches age twenty-one whichever occurs later.
- (8) For purposes of this section, "alcohol concentration" means (a) grams of alcohol per two hundred ten liters of a person's breath, or (b) the percent by weight of alcohol in a person's blood.

NEW SECTION. Sec. 11. A new section is added to chapter 46.61 RCW to read as follows:

- (1) Any person requested or signaled to stop by a law enforcement officer pursuant to section 10 of this act has a duty to stop.
- (2) Whenever any person is stopped pursuant to section 10 of this act, the officer may detain that person for a reasonable period of time necessary to: Identify the person; check the status of the person's license, insurance identification card, and the vehicle's registration; and transport the person, if necessary, to and administer a test or tests to determine the alcohol concentration in the person's system.
- (3) Any person requested to identify himself or herself to a law enforcement officer pursuant to an investigation under section 10 of this act has a duty to identify himself or herself, give his or her current address, and sign an acknowledgement of receipt of the warning required by section 10(4) of this act and receipt of the notice and temporary license issued under section 10(5) of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 46.61 RCW to read as follows:

- (1) This section applies to any person arrested for a violation of RCW 46.61.502 or 46.61.504 who has an alcohol concentration of 0.10 or higher as shown by a test administered under RCW 46.20.308.
- (2) The arresting officer or other law enforcement officer at whose direction the test was given shall:
 - (a) Serve the person notice in writing on behalf of the department of licensing of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive or to issue a probationary license;
 - (b) Serve the person notice in writing on behalf of the department of the person's right to a hearing, specifying the steps required to obtain a hearing;
 - (c) Confiscate the person's Washington state license or permit to drive, if any, and issue a temporary license to replace any confiscated license or permit. The temporary license shall be valid for thirty days from the date of arrest or until the suspension or revocation of the person's license or permit, or the issuance of a probationary license, is sustained at a hearing pursuant to subsection (5) of this section, whichever occurs first. If the person has not within the previous five years committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, and within thirty days of the arrest the person petitions a court for a deferred prosecution on criminal charges arising out of the arrest, the court shall direct the department to extend the period of the temporary license by at least an additional thirty days but not more than an additional sixty days. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, then the court shall immediately direct the department to cancel any period of extension of the temporary license. No temporary license is valid to any greater degree than the license or permit it replaces.
 - (d) Notify the department of the arrest, and transmit to the department any confiscated license or permit and a sworn report stating:
 - (i) That the officer had reasonable grounds to believe the arrested person was driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drug, or both;
 - (ii) That pursuant to RCW 46.20.308 a test of the person's alcohol concentration was administered;

Proposed

Additions are indicated by underline; deletions by strikethrough

(iii) That the test indicated that the person's alcohol concentration was 0.10 or higher; and
(iv) Any other information that the department may require by rule.

(3) Upon receipt of a sworn statement under subsection (2) of this section, the department shall suspend, revoke, or deny the person's license, permit, or driving privilege, or shall issue a probationary license, effective beginning thirty days from the date of the arrest or beginning when the suspension, revocation, denial, or issuance is sustained at a hearing pursuant to subsection (5) of this section, whichever occurs first. The suspension, revocation, or denial, or issuance of a probationary license, shall be as follows:

(a) Upon receipt of a first sworn statement, issuance of a probationary license under section 8 of this act;

(b) Upon receipt of a second or subsequent statement indicating an arrest date that is within five years of the arrest date indicated by a previous statement, revocation for two years.

(4) A person receiving notification under subsection (2) of this section may, within five days after his or her arrest, request a hearing before the department under subsection (5) of this section. The request shall be in writing. The person shall pay a fee of one hundred dollars as part of the request. If the request is mailed, it must be postmarked within five days after the arrest.

(5) Upon timely receipt of a request and a one hundred dollar fee under subsection (4) of this section, the department shall afford the person an opportunity for a hearing. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.327 and 46.20.332. The hearing shall be conducted in the county of arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within thirty days following the arrest, unless otherwise agreed to by the department and the person. The hearing shall cover the issues of:

Repealed

(a) Whether the law enforcement officer had reasonable grounds to believe the person was driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor;

(b) Whether the test of the person's alcohol concentration was administered in accordance with RCW 46.20.308; and

(c) Whether the test indicated that the person's alcohol concentration was 0.10 or higher.

(6) The period of any suspension, revocation, or denial imposed under this section shall run consecutively to the period of any suspension, revocation, or denial imposed pursuant to a criminal conviction arising out of the same incident. A suspension, revocation, or denial imposed under this section shall be stayed if the person is accepted for deferred prosecution as provided in chapter 0.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(7) If the suspension, revocation, denial, or issuance is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied, or who has been issued a probationary license, has the right to file a petition in the superior court of the county of arrest in the same manner as an appeal from a decision of a court of limited jurisdiction. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. A court may stay the suspension, revocation, or denial if it finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay.

(8) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

PART V—IMPLIED CONSENT

Sec. 13. RCW 46.20.308 and 1989 c 337 s 8 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcoholic content of his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor. However, in those instances where: (a) The person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample; or (b) as a result of a traffic accident the person is being treated for a medical condition in a hospital, clinic, doctor's office, or other similar facility in which a breath testing instrument is not present, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(4). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver that (a) his or her privilege to drive will be revoked or denied if he or she refuses to submit to the test, and (b) that his or her refusal to take the test may be used in a criminal trial.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.

(6) The department of licensing, upon the receipt of a sworn report of the law enforcement officer that the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor and that the person had refused to submit to the test or tests upon the request of the law enforcement officer after being informed that refusal would result in the revocation of the person's privilege to drive, shall revoke the person's license or permit to drive or any nonresident operating privilege.

(7) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, the department shall immediately notify the person involved in writing by personal service or by certified mail of its decision and the grounds therefor, and of the person's right to a hearing, specifying the steps he or she must take to obtain a hearing. Within fifteen days after the notice has been given, the person may, in writing, request a formal hearing. The person shall pay a fee of one hundred dollars as part of the request. Upon receipt of such request and such fee, the department shall afford the person an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the scope of such hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to

believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor, whether the person was placed under arrest, and whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's privilege to drive. The department shall order that the revocation either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as provided in this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during pendency of the hearing and appeal.

(8) If the revocation is sustained after such a hearing, the person whose license, privilege, or permit is revoked has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the manner provided in RCW 46.20.334.

(9) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

If the report recommends treatment, the court shall examine the treatment plan. If it approves the plan and the petitioner agrees to comply with its terms and conditions and agrees to pay the cost thereof, if able to do so, or arrange for the treatment, an entry shall be made upon the person's court docket showing that the person has been accepted for deferred prosecution. A copy of the treatment plan shall be attached to the docket, which shall then be removed from the regular court dockets and filed in a special court deferred prosecution file. If the charge be one that an abstract of the docket showing the charge, the date of the violation for which the charge was made, and the date of petitioner's acceptance is required to be sent to the department of licensing, an abstract shall be sent, and the department of licensing shall make an entry of the charge and of the petitioner's acceptance for deferred prosecution on the department's driving record of the petitioner. The entry is not a conviction for purposes of Title 46 RCW. Upon receipt of the abstract of the docket, the department shall issue the petitioner a probationary license in accordance with section 8 of this act, and the petitioner's driver's license shall be on probationary status for five years from the date of the violation that gave rise to the charge. The department shall maintain the record for ~~five~~ ten years from date of entry of the order granting deferred prosecution.

Sec. 18. RCW 10.05.090 and 1985 c 352 s 12 are each amended to read as follows:

The court upon receiving such a report shall hold a hearing to

determine whether the petitioner should be removed from the deferred prosecution program. At the hearing, evidence shall be taken of the petitioner's alleged failure to comply with the treatment plan and the petitioner shall have the right to present evidence on his or her own behalf. The court shall either order that the petitioner continue on the treatment plan or be removed from deferred prosecution. PART IX—INTERLOCK

Sec. 21. RCW 46.20.710 and 1987 c 247 s 1 are each amended to read as follows:
 The legislature finds and declares:

- (1) There is a need to reduce the incidence of drivers on the highways and roads of this state who, because of their use, consumption, or possession of alcohol, pose a danger to the health and safety of other drivers;
- (2) One method of dealing with the problem of drinking drivers is to discourage the use of motor vehicles by persons who possess or have consumed alcoholic beverages;
- (3) The installation of an ignition interlock breath alcohol device or other biological or technical device will provide a means of deterring the use of motor vehicles by persons who have consumed alcoholic beverages;
- (4) Ignition interlock and other biological and technical devices are designed to supplement other methods of punishment that prevent drivers from using a motor vehicle after using, possessing, or consuming alcohol;
- (5) It is economically and technically feasible to have an ignition interlock or other biological or technical device installed in a motor vehicle in such a manner that the vehicle will not start if the operator has recently consumed alcohol.

Sec. 22. RCW 46.20.720 and 1987 c 247 s 2 are each amended to read as follows:

The court may order any person convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, and the restriction shall be for a period of not less than six months.

The court shall establish a specific calibration setting at which the ignition interlock or other biological or technical device will prevent the motor vehicle from being started and the period of time that the person shall be subject to the restriction.

For purposes of this section, "convicted" means being found guilty of an offense or being placed on a deferred prosecution program under chapter 10.05 RCW.

Sec. 23. RCW 46.20.730 and 1987 c 247 s 3 are each amended to read as follows:

For the purposes of RCW 46.20.720, 46.20.740, and 46.20.750, "ignition interlock device" means breath alcohol analyzed ignition equipment, certified by the state commission on equipment, designed to prevent a motor vehicle from being operated by a person who has consumed an alcoholic beverage, and "other biological or technical device" means any device meeting the standards of the national highway traffic safety administration or the state commission on equipment, designed to prevent the operation of a motor vehicle by a person who is impaired by alcohol or drugs. The commission shall by rule provide standards for the certification, installation, repair, and removal of the devices.

Sec. 24. RCW 46.20.740 and 1987 c 247 s 4 are each amended to read as follows:

The department shall attach or imprint a notation on the driver's license of any person restricted under RCW 46.20.720 stating that the person may operate only a motor vehicle equipped with an ignition interlock or other biological or technical device.

Sec. 25. RCW 46.20.750 and 1987 c 247 s 5 are each amended to read as follows:

A person who knowingly assists another person who is restricted to the use of an ignition interlock or other biological or technical device to start and operate that vehicle in violation of a court order is guilty of a gross misdemeanor.

The provisions of this section do not apply if the starting of a motor vehicle, or the request to start a motor vehicle, equipped with an ignition interlock or other biological or technical device is done for the purpose of safety or mechanical repair of the device or the vehicle and the person subject to the court order does not operate the vehicle.

PART X—MISCELLANEOUS.

Sec. 26. RCW 46.61.506 and 1987 c 373 s 4 are each amended to read as follows:

(1) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or any drug, if the ~~amount of alcohol in the person's blood or breath at the time alleged as shown by analysis of his blood or breath is less than 0.10 percent by weight of alcohol in his blood or 0.10 grams of alcohol per two hundred ten liters of the person's breath~~ person's alcohol concentration is less than 0.10, it is evidence that may be considered with other competent evidence in determining whether the person was under the influence of intoxicating liquor or any drug.

(2) The breath analysis shall be based upon grams of alcohol per two hundred ten liters of breath. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcoholic content may be performed only by a physician, a registered nurse, or a qualified technician. This limitation shall not apply to the taking of breath specimens.

(5) The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(6) Upon the request of the person who shall submit to a test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or her or his or her attorney.

Sec. 27. RCW 46.20.311 and 1993 c 501 s 5 are each amended to read as follows:

(1) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.342 or ~~46.61.515~~ other provision of law. Except for a suspension under RCW 46.20.289 and 46.20.291(5), whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of twenty dollars. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, the reissue fee shall be fifty dollars.

(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (a) After the expiration of one year from the date the license or privilege to drive was revoked; (b) after the expiration of the applicable revocation period provided by RCW 46.61.515(3)(b) or (c) 46.20.308 or section 5, 6, or 12 of this act; (c) after the expiration of two years for persons convicted of vehicular homicide; or (d) after the expiration of one year in cases of revocation for the first refusal within five years to submit to a chemical test under RCW 46.20.308; (e) after the expiration of two years in cases of revocation for the second or subsequent refusal within five years to submit to a chemical test under RCW 46.20.308; or (f) after the expiration of the applicable revocation period provided by RCW 46.20.265. After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of twenty dollars, but if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504 or is the result of administrative action under section 12 of this act, the reissue fee shall be fifty dollars. Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of twenty dollars. If the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving (a) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (b) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be fifty dollars.

Sec. 28. RCW 46.04.580 and 1990 c 250 s 22 are each amended to read as follows:

"Suspend," in all its forms and unless a different period is specified, means invalidation for any period less than one calendar year and thereafter until reinstatement. ~~However, under RCW 46.61.515 the invalidation may last for more than one calendar year.~~

Sec. 29. RCW 46.20.391 and 1985 c 407 s 5 are each amended to read as follows:

(1) Any person licensed under this chapter who is convicted of an offense relating to motor vehicles for which suspension or revocation of the driver's license is mandatory, other than vehicular homicide or vehicular assault, may submit to the department an application for an occupational driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is engaged in an occupation or trade that makes it essential that the petitioner operate a motor vehicle, may issue an occupational driver's license and may set definite restrictions as provided in RCW 46.20.394. No person may petition for, and the department shall not issue, an occupational driver's license that is effective during the first thirty days of any suspension or revocation imposed under RCW 46.61.515 for a violation of RCW 46.61.502 or 46.61.504. No person may petition for, and the department shall not issue, an occupational driver's license if the person is ineligible for such a license under section 5 or 6 of this act. A person aggrieved by the decision of the department on the application for an occupational driver's license may request a hearing as provided by rule of the department.

(2) An applicant for an occupational driver's license is eligible to receive such license only if:

(a) Within one year immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not ~~been convicted~~ committed of any offense relating to motor vehicles for which suspension or revocation of a driver's license is mandatory; and

(b) Within five years immediately preceding the date of the offense that gave rise to the present conviction, the applicant has not ~~been convicted of~~ committed any of the following

offenses: (i) Driving or being in actual physical control of a motor vehicle while under the influence of intoxicating liquor under RCW 46.61.502 or 46.61.504; of; (ii) vehicular homicide under RCW 46.61.520, or of; or (iii) vehicular assault under RCW 46.61.522; and

(c) The applicant is engaged in an occupation or trade that makes it essential that he or she operate a motor vehicle; and

(d) The applicant files satisfactory proof of financial responsibility pursuant to chapter 46.29 RCW.

(3) The director shall cancel an occupational driver's license upon receipt of notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, or of an offense that pursuant to chapter 46.20 RCW would warrant suspension or revocation of a regular driver's license. The cancellation is effective as of the date of the conviction, and continues with the same force and effect as any suspension or revocation under this title.

Sec. 30. RCW 5.40.060 and 1987 c 212 s 1001 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, it is a complete defense to an action for damages for personal injury or wrongful death that the person injured or killed was under the influence of intoxicating liquor or any drug at the time of the occurrence causing the injury or death and that such condition was a proximate cause of the injury or death and the trier of fact finds such person to have been more than fifty percent at fault. The standard for determining whether a person was under the influence of intoxicating liquor or drugs shall be the same standard established for criminal convictions under RCW 46.61.502, and evidence that a person was under the influence of intoxicating liquor or drugs under the standard established by RCW 46.61.502 shall be conclusive proof that such person was under the influence of intoxicating liquor or drugs.

(2) In an action for damages for personal injury or wrongful death that is brought against the driver of a motor vehicle who was under the influence of intoxicating liquor or any drug at the time of the occurrence causing the injury or death and whose condition was a proximate cause of the injury or death, subsection (1) of this section does not create a defense against the action notwithstanding that the person injured or killed was also under the influence so long as such person's condition was not a proximate cause of the occurrence causing the injury or death.

NEW SECTION. Sec. 31. Section 30 of this act is remedial in nature and shall apply retroactively.

Sec. 32. RCW 46.55.113 and 1987 c 311 s 10 are each amended to read as follows:
