

ORDINANCE NO. 3640

AN ORDINANCE OF THE CITY OF KIRKLAND RELATING TO ZONING PERMIT REVIEW PROCESSES AND AMENDING ORDINANCE 2740 AS AMENDED, THE KIRKLAND ZONING ORDINANCE, FOR THE AREA OF THE HOUGHTON MUNICIPAL CORPORATION (FILE NO. IV-97-68).

WHEREAS, the City Council has received from the Kirkland Planning Commission a recommendation to amend certain sections of the text of the Kirkland Zoning Code, Ordinance 2740 as amended, all as set forth in that certain report and recommendation of the Planning Commission dated December 18, 1997 and bearing Kirkland Department of Planning and Community Development File No. IV-97-68; and

WHEREAS, prior to making said recommendation, the Planning Commission, following notice thereof as required by RCW 35A.63.070, on November 6, 1997, held a public hearing on the amendment proposals and considered the comments received at said hearing; and

WHEREAS, pursuant to the State Environmental Policies Act there has accompanied the legislative proposal and recommendation through the entire consideration process, a final determination of nonsignificance, including supporting environmental documents, issued by the responsible official pursuant to WAC 197-11-340 and WAC 197-11-390; and

WHEREAS, in regular public meeting the City Council considered the environmental documents received from the responsible official, together with the report and recommendation of the Planning Commission.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Kirkland as follows:

Section 1. Zoning text amended: The following specified sections of the text of Ordinance 2740 as amended, the Kirkland Zoning Ordinance, be and they hereby are amended for the area of the Houghton Municipal Corporation to read as follows:

As set forth in Attachment A which by this reference is incorporated herein.

Section 2. If any section, subsection, sentence, clause, phrase, part or portion of this ordinance, including those parts adopted by reference, is for any reason held to be invalid or unconstitutional by any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance.

Section 3. To the extent the subject matter of this ordinance, pursuant to Ordinance 2001, is subject to the disapproval jurisdiction of the Houghton Community Council, this

30.10.a		SPECIAL REGULATIONS		REGULATIONS FOR THIS USE CONTINUED ON THE NEXT PAGE	
The minimum dimension of any yard other than those listed, is 5'		1. No structures, other than monogram structures or public access areas, may be waterward of the high waterline. a. Within 30' of the front property line, each portion of a structure is set back from the front property line by a distance greater than or equal to the height of that portion above the front property line; and b. Substantially, the entire width of this yard (from north to south property lines) is developed as a public use area; and c. The design of the public use area is specifically approved by the City. 2. A view corridor must be maintained across 30% of the average parcel width. The view corridor must be in one continuous place. Within the view corridor, structures, parking areas, and landscaping will be allowed, provided that they do not obstruct the existing view from Lake Washington Boulevard to and beyond Lake Washington. This corridor must be adjacent to either the north or south property line, whichever will result in the widest view corridor given development on adjacent properties. 3. A view corridor must be maintained across 30% of the average parcel width. The view corridor must be in one continuous place. Within the view corridor, structures, parking areas, and landscaping will be allowed, provided that they do not obstruct the existing view from Lake Washington Boulevard to and beyond Lake Washington. This corridor must be adjacent to either the north or south property line, whichever will result in the widest view corridor given development on adjacent properties. 4. Chapter 115 contains regulations regarding home occupations and other accessory uses, facilities and activities associated with this use. 5. See Section 11 of this Chapter for regulations regarding setbacks and land surface modification. In addition, refer to Chapter 11 to determine what other provision of this Code may apply to the subject property.		1. For the regulations regarding monogram structures and public access areas, see the specific listing in this zone. 2. Access to the high waterline may be waived by the City if public access along the waterline of the subject property within the high waterline yard. Access to the high waterline may be waived by the City if public access along the waterline of the subject property can be reached from adjoining property. The City shall require signs designating the public pedestrian access and public use areas. 3. The required 30' front yard may be reduced 1' for each 'f' of this yard that is developed as a public use area. If within 30' of the front property line, each portion of a structure is set back from the front property line by a distance greater than or equal to the height of that portion above the front property line; and b. Substantially, the entire width of this yard, from north to south property lines, is developed as a public use area; and c. The design of the public use area is specifically approved by the City. 4. A view corridor must be maintained across 30% of the average parcel width. The view corridor must be in one continuous place. Within the view corridor, structures, parking areas, and landscaping will be allowed, provided that they do not obstruct the existing view from Lake Washington Boulevard to and beyond Lake Washington. This corridor must be adjacent to either the north or south property line, whichever will result in the widest view corridor given development on adjacent properties. 5. Structure height may be increased to 35' above average building elevation if the increase does not impair views of the lake from properties east of Lake Washington Boulevard; and a. The increase is offset by a view corridor that is superior to that required by special regulation #4; or b. The increase is offset by maintaining comparable portions of the structure lower than 30' above average building elevation.

**SPECIAL REGULATIONS**

1. This development may also be regulated under the City's Shoreline Master Program; consult that document.

2. Development in parts of this zone may be limited by Chapter 90, Regulating development near streams, lakes and wetlands.

3. Access points onto Lake Washington Boulevard must be minimized to prevent animal congestion and traffic safety hazards.

4. City roadway design must be provided on the subject property adjacent to Lake Washington Boulevard as follows:

- a. An asphalt curb, 12 feet wide and with a uniform height of 2 feet at the center.
- b. Lawn curving the barrier.
- c. London Plane 6' least 2 inches in diameter, planted 30 feet on center along the barrier.
- d. Chapter 115 contains regulations regarding home occupations and other accessory uses, facilities and activities associated with this use.

5. The required yard of a structure abutting Lake Washington Boulevard or Lake Street South must be increased 2 feet for each 1 foot that a structure exceeds 25 feet above average building elevation.

6. Refer to Chapter 1 to determine what other provision of this Code may apply to the subject property.

7. Refer to Chapter 1 to determine what other provision of this Code may not apply to the subject property.

1. This development may also be regulated under the City's Shoreline Master Program; consult that document.

2. Development in parts of this zone may be limited by Chapter 90, Regulating development near streams, lakes and wetlands. In addition, the site must be developed to concentrate development away from and to minimize impacts on the wetlands.

3. Vehicle circulation on the subject property must be designed to minimize traffic impacts on Lake Washington Boulevard and at the SR 520 interchange. The City may limit access points onto Lake Washington Boulevard and Parks Drive and require traffic control devices and right-of-way realignment.

4. If this development includes a portion of Planned Area 2, the applicant may propose and the City may require that part or all of the density allowed in Planned Area 2 be developed in Planned Area 3.

5. The height of structures may be increased as follows:

- a. The structure does not exceed 6' above average building elevation.
- b. The amount of previous surface on the subject property in this zone significantly exceeds 50%, and the site is destined to the maximum area feasible to provide views through the subject property from Lake Washington Boulevard and Bellevue Way while complying with Special Regulation #1.
- c. The site is developed on the subject property adjacent to Lake Washington Boulevard as follows:

- a. An asphalt curb, 12 feet wide and with a uniform height of 3 feet at the center.
- b. Lawn curving the barrier.
- c. London Plane 6' least 2 inches in diameter, planted 30 feet on center along the barrier.

6. City roadway design must be provided on the subject property adjacent to Lake Washington Boulevard as follows:

- a. An asphalt curb, 12 feet wide and with a uniform height of 3 feet at the center.
- b. Lawn curving the barrier.
- c. London Plane 6' least 2 inches in diameter, planted 30 feet on center along the barrier.

7. Chapter 115 contains regulations regarding home occupations and other accessory uses, facilities and activities associated with this use.

8. The required yard of a structure abutting Lake Washington Boulevard or Lake Street South must be increased 2 feet for each 1 foot that a structure exceeds 25 feet above average building elevation.

9. Refer to Chapter 1 to determine what other provision of this Code may apply to the subject property.

PUBLICATION SUMMARY  
OF ORDINANCE NO. 3640

AN ORDINANCE OF THE CITY OF KIRKLAND RELATING TO ZONING PERMIT REVIEW PROCESSES AND AMENDING ORDINANCE 2740 AS AMENDED, THE KIRKLAND ZONING ORDINANCE, FOR THE AREA OF THE HOUGHTON MUNICIPAL CORPORATION (FILE NO. IV-97-68).

**SECTION 1** Amends specific portions of the text of the Zoning Code for the area of the Houghton Municipal Corporation:

Amends the following Use Zone Charts to change permit review processes: Church and School or Day Care Center in PO zone; Attached or Stacked Dwelling Units and Public Access Pier or Boardwalk in WDI and WDIII zones; Vehicle Service Station in FCIII and BC zones; Attached or Stacked Dwelling Units in PLA2 zone; and Attached or Stacked Dwelling Units, Office Uses, Development Containing Attached or Stacked Dwelling Units and Office Uses, and School or Day Care Center in PLA3A zone.

**SECTION 2** Provides a severability clause for the ordinance.

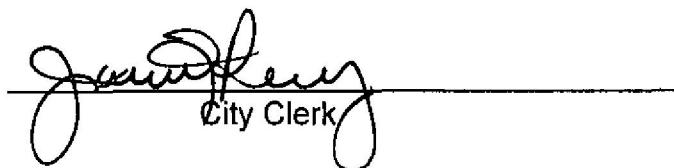

**SECTION 3** Provides that the effective date of the ordinance is affected by the disapproval jurisdiction of the Houghton Community Council.

**SECTION 4** Authorizes publication of the ordinance by summary, which summary is approved by the City Council pursuant to Section 1.08.017 Kirkland Municipal Code and establishes the effective date as five days after publication of the summary.

**SECTION 5** Establishes certification by City Clerk and notification of King County Department of Assessments.

The full text of this Ordinance will be mailed without charge to any person upon request made to the City Clerk for the City of Kirkland. The Ordinance was passed by the Kirkland City Council at its regular meeting on the 23rd day of June, 1998.

I certify that the foregoing is a summary of Ordinance  
3640 approved by the Kirkland City Council for summary publication.
