3. Inspections for which no fee is specifically indicated \$65.00 \$79.00 per hour (minimum charge—one-half hour)

Section 3. KMC Section 21.16.020 is hereby amended as follows:

21.16.020 Permit and checking fees.

The sign permit fee and plan checking fee authorized by Section 304 of the Uniform Sign Code, adopted by reference, shall be the same as the fee schedule contained in Section 107 (and Table 1-A) of the Uniform Building Code, as listed in Section 21.04.010, Kirkland Municipal Code; provided:

- (1) A minimum forty-dollar fee shall be charged for each marquee or building mounted sign.
- (2) A minimum sixty-five-dollar fee shall be charged for each freestanding or pole mounted sign.

(3) A minimum forty-dollar plan check fee shall be charged for each non-illuminated sign and a minimum seventy-nine-dollar for each illuminated sign for which a permit is applied.

Section 4. KMC Section 21.20.039 is hereby amended as follows:

21.20.039 Fees.

(a) Permit Fees: The fees for each permit shall be as set forth in Table No. 1-1.

(b) Plan Review Fees: When a plan or other data is required to be submitted by Section 103.2.2, a plan review fee shall be paid at the time of submitting plans and specifications for review. The plan review fees for plumbing work shall be equal to sixty-five percent of the total permit fee as set forth in Table No. 1-1. When plans are incomplete or changed so as to require additional review, a fee shall be charged at the rate shown in Table No. 1-1.

(c) Expiration of Plan Review. Applications for which no permit is issued within one hundred eighty days following the date of application shall expire by limitation and plans and other data submitted for review may thereafter be returned to the applicant or destroyed by the administrative authority. The administrative authority may exceed the time for action by the applicant for a period not to exceed one hundred eighty days upon request by the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken. No application shall be extended more than once. In order to renew action on an application after expiration, the applicant shall resubmit plans and pay a new plan review fee.

(d) Investigation Fees: Work Without a Permit.

(1) Whenever any work for which a permit is required by this code has been commenced without first obtaining said permit, a special investigation shall be made before a permit may be issued for such work.

(2) An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently issued. The investigation fee shall be equal to the amount of the permit fee that would be required by this code if a permit were to be issued. The payment of such investigation fee shall not exempt any person from compliance with all other provisions of this code, nor from any penalty prescribed by law.

(e) Fee Refunds.

(1) The administrative authority may authorize the refunding of any fee paid hereunder which was erroneously paid or collected;

(2) The administrative authority may authorize the refunding of not more than eighty percent of the permit fee paid when no work has been done under a permit issued in accordance with this code;

(3) The administrative authority may authorize the refunding of not more than eighty percent of the plan review fee paid when an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan review effort has been expended.

The administrative authority shall not authorize the refunding of any fee paid except upon written application filed by the applicant or permittee not later than one hundred eighty days after the date of fee payment.
