

## RESOLUTION R-5717

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF KIRKLAND AUTHORIZING THE CITY OF BELLEVUE TO ADMINISTER CERTAIN HOUSING PROJECT AGREEMENTS ON BEHALF OF THE CITY OF KIRKLAND, CONSISTENT WITH THE AMENDED AND RESTATED INTERLOCAL AGREEMENT FOR A REGIONAL COALITION FOR HOUSING (ARCH).

1 WHEREAS, pursuant to an interlocal agreement executed under chapter 39.34 RCW,  
2 the City is a long-standing member of A Regional Coalition of Housing (ARCH), a cooperative  
3 partnership of fifteen cities and towns in East King County, working together to promote  
4 affordable housing through shared goals, coordinated policies, and the strategic use of public  
5 funds in partnership with private-sector resources; and

7 WHEREAS, the City of Bellevue currently serves as the ARCH Administering Agency  
8 pursuant to a resolution of the ARCH Executive Board (No. 2010-01) and the Bellevue City  
9 Council (No. 8076); and

11 WHEREAS, Section 12(f)(v) of the ARCH Amended and Restated Interlocal Agreement  
12 (hereinafter "ARCH Interlocal Agreement"), effective July 10, 2010, also permits the ARCH  
13 Executive Board to authorize the Administering Agency to administer ARCH housing project  
14 agreements entered into prior to the effective date of the ARCH Interlocal Agreement, upon  
15 terms consistent with the interlocal agreement and subject to the consent of the Administering  
16 Agency and the parties to said agreements; and

18 WHEREAS, when the Administering Agency was appointed in 2010, ARCH did not  
19 formally authorize the Administering Agency to administer ARCH housing project agreements  
20 that predate the interlocal agreement; and

22 WHEREAS, this has resulted in a fragmented approach in the administration of ARCH  
23 housing project financing documents, whereby the Administering Agency is responsible for all  
24 agreements funded through the Housing Trust Fund (HTF) on or after July 10, 2010, while  
25 individual ARCH member cities and towns remain responsible for administering those  
26 financing agreements that predate July 10, 2010, and are funded with HTF monies; and

28 WHEREAS, this fragmentation persists despite a common funding mechanism and the  
29 centralized role of ARCH staff, which is responsible for day-to-day monitoring of the  
30 agreements, maintains ongoing relationships with owners and operators of the affordable  
31 housing project subject to the financing documents, and works in close partnership with the  
32 Administering Agency; and

34 WHEREAS, from time-to-time, ARCH-approved housing projects seek to refinance  
35 existing loans, secure additional funding for improvements, convey property to develop public  
36 amenities, or transfer ownership of the project, triggering the need for various amendments to  
37 the underlying financing documents; and

39 WHEREAS, specific to the ARCH project financing documents that predate the ARCH  
40 Interlocal Agreement, the fragmented administration results in certain inefficiencies, delays,  
41 and increased burdens to ARCH staff, which is required to develop multiple versions of the  
42 same/similar amending instruments, educate the several ARCH jurisdictions that contributed

43 funding to a project regarding the need for the amending instrument, and coordinate all  
44 necessary approvals needed for the amending instrument—often under compressed timelines;  
45 and

46        WHEREAS, the ARCH Executive Board recently adopted Resolution 2025-01,  
47 authorizing the City of Bellevue, in its capacity as the ARCH Administering Agency, to  
48 administer the ARCH housing project finance documents executed by the individual ARCH  
49 member jurisdictions prior to the effective date of the ARCH Interlocal Agreement, on the  
50 condition that the City of Bellevue and individual member jurisdictions consent to said  
51 administration; and

52        WHEREAS, the City of Bellevue must adopt a resolution consenting to the  
53 administration of ARCH housing project agreements executed by the individual ARCH member  
54 jurisdictions prior to the effective date of the ARCH Interlocal Agreement, on the condition that  
55 the individual ARCH members deliver a resolution to ARCH and the City of Bellevue,  
56 consenting to said administration; and

57        WHEREAS, the City of Kirkland finds a more streamlined administration of ARCH  
58 project financing documents would be in the best interest of the City, ARCH, and the affordable  
59 housing projects it supports, thereby promoting housing stability, economic mobility, and  
60 community well-being, consistent with the City's adopted 2044 Comprehensive Plan.

61        NOW, THEREFORE, be it resolved by the City Council of the City of Kirkland as  
62 follows:

63        Section 1. In accordance with Section 12(f)(v) of the ARCH Amended and Restated  
64 Interlocal Agreement, the City of Kirkland consents to the City of Bellevue serving as the  
65 Administering Agency for the housing project financing documents identified in Exhibit A,  
66 attached hereto and incorporated by reference, which were funded through the ARCH Housing  
67 Trust Fund and executed by the City prior to the effective date of the ARCH Interlocal  
68 Agreement.

69        Section 2. This consent shall be effective upon adoption of this Resolution, and the City  
70 Clerk is directed to provide a copy of the same to ARCH and the City of Bellevue.

71        Section 3. This consent shall remain in effect unless and until the ARCH Executive  
72 Board rescinds Resolution No. 2025-01, or after the City of Bellevue or the City of Kirkland  
73 provides 180 days' written notice of its intent to withdraw consent to the administration,  
74 whichever is sooner. In the event of any rescission or withdrawal, the ARCH Executive Board,  
75 the City of Bellevue, and the City of Kirkland shall take all steps reasonably practicable to  
76 ensure a smooth transition of responsibilities from the Administering Agency to any successor  
77 agency, if any.

78        Section 4. Upon delivery of all consents to the administration described in Sections 1  
79 and 2 above, the City of Bellevue, in its capacity as the ARCH Administering Agency, and/or  
80 ARCH staff shall notify all owners/operators of the affordable housing projects subject to  
81 financing documents identified in Exhibit A of the resulting change in administration.

82        Section 5. The City of Bellevue, in its capacity as the Administering Agency, shall  
83 administer the housing project documents identified in Exhibit A in accordance with their terms  
84 and conditions and consistent with the Administering Agency's responsibilities under the

94 ARCH Interlocal Agreement. This authority includes, but is not limited to, negotiating and  
95 executing any amendments, consents, assignments, subordination agreements, partial  
96 releases of security instruments and other documents requested in connection with a  
97 refinancing, restructuring, or modification of the financing for a housing project.

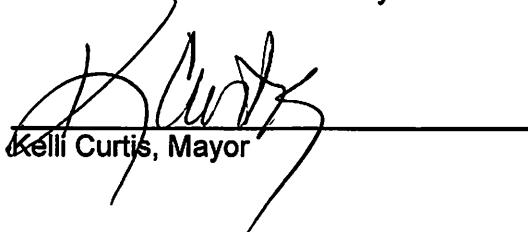

98  
99 Section 6. This consent does not delegate any other legislative or administrative  
100 powers retained by the City of Kirkland under the ARCH Interlocal Agreement, including, but  
101 not limited to, approval of any increased funding awards; nor does this consent delegate any  
102 legislative or administrative powers that are the sole province of the City of Kirkland, including,  
103 but not limited to, negotiating and conveying any interests in real property (e.g., easements) or  
104 any agreements negotiated, funded, and monitored without the aid of ARCH.

105  
106 Section 7. In executing any amendment or necessary document related to the housing  
107 project agreement identified in Exhibit A, the City of Bellevue shall specify that it is acting as  
108 the Administering Agency on behalf of the City of Kirkland pursuant to the ARCH Interlocal  
109 Agreement.

110  
111 Section 8. The City of Bellevue, in its capacity as the Administering Agency, and/or  
112 ARCH staff shall provide all reasonable information that may be requested by the City of  
113 Kirkland in relation to the administration of the agreements identified in Exhibit A.

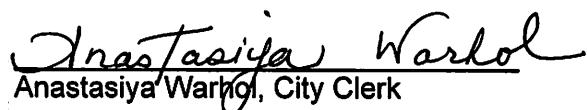

114  
115  
116 Passed by majority vote of the Kirkland City Council in open meeting this 3rd day of  
117 February, 2026.

118  
119 Signed in authentication thereof this 3rd day of February, 2026.
