RESOLUTION

No. 319

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF KIRKLAND  
AS FOLLOWS:

THAT WHEREAS, the establishment of a sewer system in and for  
the City of Kirkland has caused great damage to the City streets in  
said City, and this damage has necessitated a very expensive road-  
repair program at a total cost of \$ 25,822<sup>00</sup>, in order to resurface  
and restore the condition of said City streets, and

WHEREAS, The Federal Works Agency has heretofore granted to the  
City of Kirkland the sum of \$ 14,000.<sup>00</sup> for the purpose of this  
street-repair work, and it now appears that said sum is insufficient  
to cover the cost thereof,

NOW, THEREFORE, The City of Kirkland does hereby make application  
to the Federal Works Agency for an additional allotment of funds in the  
sum of \$ 11,822<sup>00</sup> from the funds available to Project Wash. 45-151,  
for the purpose of covering said deficiency in funds for the payment of  
said street-repair work.

Dated and passed this 20th day of Sept, 1948.
