RESOLUTION

No. 321

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF KIRKLAND AS FOLLOWS:

THAT THEREAS, The City Sewer System in and for the City of Kirkland is incomplete in that the sewer disposal plant has not been equipped with machinery for the removal of sludge and scum, and

WHEREAS, The lack of said removal machinery causes said disposal plant to be very expensive to operate and reduces the efficiency of said plant, and

WIRRAR, This defect may be overcome with a relatively small expenditure of money,

For The More R. H. H. Disler, Engineer for said Project, and L. N. Ostrander, as City attorney, are hereby directed to take such steps as may be necessary to secure from the Federal Morks Agency a change order in Project Wash. 45-151, and the grant of such additional funds as may be needed for the development and construction of said removal confirment.

Deted and passed this 20th in sept., 1943.
