

RESOLUTION

No. 329 A

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF KIRKLAND AS FOLLOWS:

THAT WHEREAS, the population of the City of Kirkland and the area immediately adjacent thereto has very nearly doubled during the past four years, and

WHEREAS, the gasoline and tire shortage at the present time makes it difficult for residents on this side of Lake Washington to drive to and from Seattle by the longer route around Lake Washington, and

WHEREAS, the Lake Washington Ferry Company has not measurably added to its service to this community during the past four (4) years, and

WHEREAS, the interests of this community and the welfare of its population require that more frequent ferry service be made available to Kirkland and this area,

NOW, THEREFORE, WE DO RESOLVE That additional ferry service between the City of Kirkland and the Madison Street Ferry Dock is needed immediately, in particular, ferry service of greater frequency than is now available.

We do further resolve that the City of Kirkland take every practicable step to secure the cooperation of the management of the Lake Washington Ferry to voluntarily adding such additional ferry service, or to force said cooperation through the Department of Public Service of the State of Washington and through the Office of the King County Commissioners.

Dated and passed this 16th day of October, 1944.

Harry M. Everett, Mayor

Attest:

C. V. Front, Clerk
