

RESOLUTION NO. 399

WHEREAS, the City of Kirkland, has by Ordinance No. 576, approved August 18, 1949; ordered the extensions and betterments to its sewer system and treatment plant by the construction of; Unit "A", Rose Point Sewer System, and Unit "B", ⁿ Enlargement of Kirkland Treatment Plant, and,

WHEREAS, The City of Kirkland has made a call for the construction of said units, which were duly advertised and opened, and,

WHEREAS, The bids for the construction of the Unit "A", Rose Point Sewer System, were within the amount of the Engineer's estimate, but the bids for the construction of Unit "B", Enlargement of the Kirkland Treatment Plant, exceeded the Engineer's estimate, and,

WHEREAS, It appears that the basis for the design of the Treatment Plant Enlargement, anticipated too substantial a growth in tributary population and hence in construction costs, now therefore,

~~BE IT RESOLVED, That the City of Kirkland award the contract for Unit "A", the Rose Point Sewer System, to the low bidder, the Shoreline Construction Company of Seattle, Washington, in conformance with their bid of May 1, 1950, and,~~

BE IT FURTHER RESOLVED, That Consulting Engineer, Harry Sisler, is hereby directed to re-design Unit "B", Enlargement of the Kirkland Treatment Plant, to conform to the lowered standards of design, and to call for contractor's bids to be opened on June 26, 1950, and,

BE IT FURTHER RESOLVED, That the City of Kirkland reject all bids submitted on May 15, 1950, for the construction of Unit "B", the Enlargement of the Kirkland Treatment Plant, and,

BE IT FURTHER RESOLVED, That a copy of this resolution be transmitted to the Health Department of the State of Washington.

PASSED this 22nd day of May 1950.
