RESOLUTION FOR A SECOND BRIDGE CROSSING  
FOR LAKE WASHINGTON

The City Council of the City of Kirkland, Washington, having been fully advised and informed concerning the plans for a second crossing of Lake Washington, and after due and careful consideration of the same, does herewith favor and support a second crossing for Lake Washington, at a location which will not necessitate a renewal of tolls on the present Lake Washington Bridge.

Due to the hazards of increasing congestion on the present bridge, it is strongly urged that construction of a second bridge be commenced immediately.

Dated and Passed this 17th day of August, 1953.

Alfred E. Ireland  
Mayor
