Section 4: The nature of the above described improvements is such that the special benefits conferred on the property within the above described boundaries are not fairly reflected by the use of the zone and termini method of computing assessments, and therefore, it is the intention of the City Council that such assessments shall be made in accordance with the special benefits derived without regard to the zone and termini method. Said improvements are to be paid from the water-sewer revenue bond construction fund established pursuant to Ordinances No. 1124 and 1159 of the City of Kirkland, and the assessments to be levied shall be for the sole purpose of payment into the Kirkland water and sewer revenue bond fund created pursuant to Ordinance No. 1159.

Section 5: The City's engineers are hereby directed to submit to the Council at or prior to the date fixed for the hearing on this resolution, a statement of the estimated costs and expenses of such improvements, the portion of such costs to be borne by the property within the proposed utility local improvement district, the local improvement district assessments outstanding and unpaid against the property therein, and the aggregate actual valuation of the real estate including twenty-five percent of the actual valuation of the improvements in the proposed district according to the valuation last placed upon it for the purposes of general taxation, together with a diagram or print showing thereon the lots, tracts, parcels of land and other property which will be specially benefited by said improvements and the estimated amount of the costs and expense thereof to be borne by each lot, tract or parcel of land or other property within the proposed utility local improvement district.

Section 6: All persons who may desire to object to the formation of such utility local improvement district are hereby notified to appear and present such objections at a meeting of the City Council to be held in the Kirkland City Hall, Kirkland, Washington, at 8:00 P.M., on June 15, 1970, which time and place are hereby fixed for hearing of matters relating to said proposed improvements, the creation of said proposed utility local improvement district and all objections thereto and for determining the method of paying for said improvements.

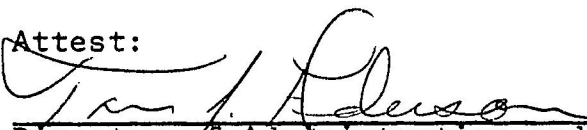

The City Clerk and Engineers are hereby directed to prepare and give notice of such hearing in the manner required by law.

ADOPTED by the Kirkland City Council in regular meeting on the 4th day of May, 1970.

Mayor
