OBJECTIVES AND SCOPE OF SERVICES

CLIENT/PROJECT: CITY OF KIRKLAND  
PAR-MAC INTERCEPTOR SEWER

It is the intent of this agreement that KCM shall provide all services required to prepare a Step 1 Facilities Plan for the study area as shown on Attachment C. The facilities plan shall meet the current guidelines and requirements of the EPA and DOE.

As part of the basic services KCM shall undertake the tasks indicated in Attachment B including the preparation of a draft of the environmental impacts of the proposed facilities plan. The City shall be responsible for providing all additional work required to convert the environmental assessment into a legal environmental impact statement (or negative declaration) meeting the requirements of NEPA and SEPA.

KCM shall provide such other services as the City may require as Special Services. Provided that no Special Services shall be undertaken except with the expressed prior written authorization of the City.

In the event design services are required for any facilities developed by the Step 1 study KCM shall submit a separate contract proposal for the design services.

APPENDIX

DEFINITIONS AND STANDARD CONDITIONS

CLIENT/PROJECT: CITY OF KIRKLAND  
PAR-MAC INTERCEPTOR SEWER

DEFINITIONS

Job Salary Cost

Job salary costs are defined as direct job salary (the employees' straight time rate of pay on an hourly basis), plus the cost of fringe benefits for all employees expressed as a percent of the direct salary costs. Fringe benefits are defined as those mandatory and customary benefits including sick leave, vacation and holiday pay, unemployment, excise and payroll taxes, social security, insurance and retirement benefits. The current value is 31.3% of the direct job salary.

Reimbursable Job Costs

Reimbursable job costs are those costs other than KCM labor which are directly related to conducting the work. For this agreement these are:

1. Auto Lease Expenses - Include basic charge, gas, oil repairs and insurance.
2. KCM Auto Expenses - Cost of using KCM owned vehicles.
3. Meal Expenses - The "out-of-pocket" cost of employees' meals while away from home or office.
4. Equipment Rental Expenses - Cost for rental of special equipment required to perform work.
5. Lab Fee Expenses - Cost of consumable laboratory supplies and lab use.
6. Computer Expenses - Cost associated with engineering studies and problem solving based on (a) cost invoiced for connection and computation (on KCM terminals) multiplied by a factor of 2.0 to cover maintenance and supplies and (b) cost invoiced for use of other computers.
7. Reproduction Expenses - Commercial and "in-office" printing, binding and reproduction of reports and construction documents at invoice amount or a fair commercial rate.

Definitions and Standard Conditions  
Page 2 of 3

8. Contract Service Expenses - Outside technical service expenses are those Client approved expenditures billed through the engineer. These include, but are not limited to:
  - a. Foundation and geological consultants.
  - b. Foundation borings and testing.
  - c. Laboratory tests.
  - d. Property, location or base map surveys.
  - e. Aerial photography and preparation of topographic maps.
  - f. Other special technical engineers working outside of the engineer's office except those engineers paid directly by the Client.
9. Miscellaneous Expenses - Those direct job expenses and costs which are not defined in other categories 1 through 8, such as special licenses, "out-of-pocket" costs to employees while traveling, etc.
10. There will be a 10% surcharge on all items shown in this section where KCM is billed from an outside source.

Working Days

Working-days are those days that KCM may productively undertake to provide service. Excluded from the computation of working days are Saturdays, Sundays, legal holidays, and those days during which KCM submittals are being reviewed for approval by the client or by critical regulatory agencies.

STANDARD CONDITIONS

Payment

Fees will be invoices and payable monthly on the basis of completion and/or in the case of multiplier services the expended effort. Invoices unpaid for 45-days shall accrue interest at the rate of 1% per month,

Changed Rates

Where hourly rates serve as the basis for a fee, they shall be subject to change semi-annually to reflect changes in KCM salary levels.

**Definitions and Standard Conditions**

**Disputes**

In the event of a dispute arising out of the performance of this contract, either party shall, as soon as a conflict is identified, file a written statement of the problem with the other party. Within five (5) working days of the filing of such a statement of conflict, the second party will respond and a meeting will be arranged not more than five (5) working days thereafter to arrive at a negotiated settlement or procedure for settlement. If within twenty-(20) working days from the initial filing of a statement of conflict an agreement cannot be reached, either party may request in writing to the second party that the matter be submitted to the local (Seattle area) Chapter of the American Arbitration Association for full and binding decision on all parties which shall become a part of this agreement.

**Termination**

This contract may be terminated by either party upon 30 days written notice. In the event of such termination, KCM shall immediately discontinue any and all work and shall be paid by the Client for all work performed prior to the termination.

**Reports, Documents and Supporting Summary Data to be Delivered to City**

Upon completion (or termination) of the basic services, all documents and reports, including supporting summary data, maps drawings and designs, shall be delivered to and become the property of the City of Kirkland. Copies of such, together with preliminary working data, including preliminary maps and designs and notes developed or produced by KCM may be retained by KCM.

**Equal Employment Opportunity**

During the performance of this contract, KCM agrees as follows:

KCM will not discriminate against any employee or applicant for employment because of race, creed, color, natural origin, sex, age or handicap. KCM will take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, creed, color, natural origin, sex, age or handicap. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, rates of pay or other forms of compensation and selection for training, including apprenticeship.

KCM will, in all solicitations or advertisements for employees placed by or on behalf of KCM state that all qualified applicants will receive consideration for employment without regard to race, creed, color, natural origin, sex, age or handicap.

Construction

This agreement shall be governed by the laws of the State of Washington.

Entire Agreement

This agreement represents the entire and integrated agreement between the City and KCM, and supersedes all prior negotiations representations or agreements either written or oral. This contract may be amended only by written instrument signed by both parties and approved by the City Council.
