AGREEMENT

THIS AGREEMENT, made and entered into this 20th day of February, 19 79, by and between the CITY OF KIRKLAND, hereinafter designated as the "City" and the STATE OF WASHINGTON, Washington State Department of Transportation, acting by and through the Secretary of the Department of Transportation under and by virtue of RCW 47.24.020 and hereinafter designated as the "State",

WHEREAS, the State is planning improvement of SR 405, NE 124th Street Interchange Signals, and,

WHEREAS, the City is obligated for the cost of the proposed construction on the City Streets, and,

WHEREAS, it is deemed to be in the best public interest for the State to advertise and administrate the construction contract for the improvement of this section of State highway.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

I

In accordance with the current State of Washington Standard Specifications for Road and Bridge Construction, and adopted design standards, unless otherwise noted, the State will construct the project as shown on the Plans marked Exhibit "B" hereto attached and by this reference made part of this agreement. The State's liability under this section shall be contingent upon receiving satisfactory and acceptable bids on the proposed facility and the subsequent award and execution of the contract therefore.

II

The City agrees to reimburse the State for 10% of the actual cost of the work to be performed by the State under this agreement with the understanding the Federal Government shall contribute the balance of the actual cost of such work.

The City agrees to set aside funds for payment to the State for the work in the amount of not less than the following estimate of cost of \$1,815.66 as shown in the attached estimate of cost marked Exhibit "A" and by this reference made a part of this agreement.

### III

Partial payment may be made upon request of the State to the City to cover cost of work completed, and are not be be more frequent than one (1) per month. It is agreed that payment of any partial claim will not constitute agreement as to the appropriateness of any item, and that at the time of final settlement, all required adjustments will be made and reflect in the final payment. In the event that such final adjustments constitute an overpayment to the State, the State agrees to refund such overpayment to the City.

### IV

The City agrees that if payment for the work is not made to the State within forty-five (45) days after the City has been billed for the work, the State may withhold any tax moneys which the City is entitled to receive from the motor vehicle fund until payment for the work is received by the State.

### V

The City agrees to hold the State harmless from any and all costs, claims, demands and obligations of whatsoever nature arising by reason of the State's participation in or action for the City in connection with the work except that this paragraph shall not apply to any herein described action caused out of the sole negligence of the State.

The City further agrees to defend, at its own cost, all suits or actions whatsoever nature brought against the City or State arising from the State's participation in or performance of the work

on behalf of the City except that the State agrees to reimburse the City for all damages assessed as a result of the sole negligence of the State, its employees and agents.

IN WITNESS WHEREOF the parties hereto have set their hands and seals on the day and year first above written.
