## FIRST AMENDMENT TO WASHINGTON STATE DEPARTMENT OF TRANSPORTATION CITY/COUNTY AGREEMENT NO.

Due to a change in the Federal Government's policies with respect to Federal-aid projects such as the one involved in this Agreement and the fact that the Federal Government will no longer obligate funds nor share in the expenses of <u>indirect engineering</u> costs for such projects, it is agreed by the parties that the State will reimburse the Agency only for the Federal share of the project and that the Federal share will not include indirect engineering costs.
