HEALTH SERVICES AGREEMENT BETWEEN
THE SEATTLE-KING COUNTY DEPARTMENT OF PUBLIC HEALTH
AND MUNICIPALITIES WITHIN KING COUNTY

THIS AGREEMENT, made this 1st day of January, 1982, by and between the governing bodies of the Seattle-King County Department of Public Health, hereinafter referred to as the "Department", and the City of Kirkland hereinafter referred to as the "Municipality"

WITNESSETH:

WHEREAS, the parties to this Agreement recognize the responsibilities of all cities or towns within King County to provide public health services to their residents or to purchase public health services under contract; and

WHEREAS, the parties to this Agreement also recognize that in order to preserve, promote and improve the public health of all residents of King County and the municipalities therein, the Department should provide adequate and uniform public health services throughout the County; and

WHEREAS, the Municipality desires to contract with the Department for public health services and to reimburse the Department for a share of the costs of providing such services in order to insure adequate and uniform public health services throughout the County; and

WHEREAS, such agreement is authorized and provided for under the terms of RCW 70.05.150 and RCW 70.08.090;

NOW, THEREFORE, IT IS AGREED THAT:

1. The Department is recognized by the Municipality as the appropriate and legally sanctioned agent for providing area-wide public health services.
2. The Department's policies and programs of service shall be reviewed at least annually by the executive and legislative branches of Seattle and King County government to assess their need, appropriateness, effectiveness, and legal requirements. Service levels and funding levels established during this period and costs for general public health services to be levied against the Municipalities as described herein shall be established annually.
3. For the purpose of performing the services hereinafter specified, the Department shall provide the necessary labor, equipment, and supplies.

4. Nothing herein shall be construed as in any way divesting the Municipality of any of its policy powers within its boundaries with respect to the management and enforcement of those health standards which are more stringent than those adopted by the State or by King County, provided that the Municipality shall notify and file said health standards, enforcement procedures and amendments thereto with the Department.
5. The services to be provided by the Seattle-King County Department of Public Health shall include all public health services required by State law, rules and regulations of the State Board of Health, rules and regulations of King County and/or uniform local ordinances as approved by the Department, as well as those services deemed necessary by the County Council and/or County Board of Health, as advised by the Director of Public Health, in order to maintain and protect the health and well-being of the citizens of King County, except those services provided by the Municipality per Section 4. The following services, listed below as program areas, are provided by the Department and its divisions:

---------------------	------------------

6. The Seattle-King County Department of Public Health and the Municipality agree that they will negotiate a separate contract within three (3) months covering their responsibilities and liabilities regarding on-site sewage.

7. Nothing in this contract shall be construed to prohibit the Department from charging user fees to partially or totally cover the costs of providing health services where so authorized by law. Furthermore, nothing herein shall be construed to prohibit the Department from establishing income eligibility requirements as established by federal, state or local enactment for certain health programs such that only those persons least able to pay are provided service free of charge or at a reduced rate.

8. The Municipality's assessment for 1982 is Sixteen thousand, two hundred and sixty-three dollars and no cents (\$16,263). This amount represents the percentage increase in suburban city property tax revenues from 1980-81 as applied to 1981 suburban city payment level.

Payment shall be made to the Department within thirty (30) days of receipt of quarterly invoice.

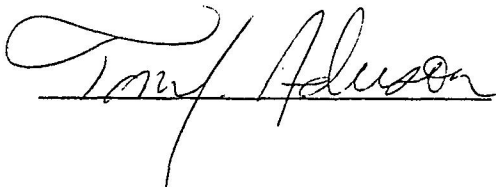

9. The Department does not assume any liability for negligence of the Municipality, or of any officer or employee thereof. The Municipality shall defend, indemnify and hold the Department harmless from cost, claim, judgment or award of damages, following written request by the Department, when such judgment, award, cost or claim results from carrying out this agreement and the enforcement within the Municipality of all state laws, rules and regulations of the state and/or county Board of Health, and municipal ordinances, except where such claims or damages result solely from failure of the Department to act as required by such laws, rules, regulations or local ordinances.

10. The Department shall hold the Municipality harmless against any claim for damages by persons on account of personal injuries, death or damage to property arising out of or in any way resulting from negligent acts or omissions of the Department, its agents, employees or representatives.

11. The Municipality shall not be called upon to assume any liability for the direct payment of any salaries, wages or other compensation to departmental personnel performing services contained herein to the Municipality, or any liability other than that provided for in this agreement. The Municipality shall not be liable for compensation or indemnity to any departmental employee for injury or sickness resulting from the performance of services to the Municipality.

12. This Agreement shall be effective from January 1, 1982 to December 31, 1982.
