12 NOW THEREFORE, pursuant to RCW 39.34 the County and the City hereby
13 agree:

14 SECTION 1. Definition of Terms. For purposes of this Agreement, the
15 following phrases shall have the meanings set forth in this Section 1:

16 (A) "Marine patrol service" means the routine patrol of waters for
17 the purposes of enforcing applicable laws and ordinances and establishing a
18 deterrent and preventive effect in the waters, including responses to serious
19 emergency complaints arising from conduct or situations on or under the
20 waters, in accordance with standard emergency dispatch protocol.

21 (B) "Marine patrol season" means the period from May 1 through
22 October 31.

23 SECTION 2. County Obligations: In consideration of the promises of the
24 City set forth in this Agreement and payment of the sum specified below, the
25 County promises to:

26 (A) During the marine patrol season, subject to the provisions of
27 2(H) of this Agreement, provide marine patrol services in the water areas
28 under the jurisdiction of the City, consisting of one eight-hour shift (one
29 boat) on Lake Sammamish, rendering service of the same level, degree, and type
30 as rendered by the County during the duration of this Agreement in waters of
31 unincorporated King County, provided that marine patrol services shall be sub-
32 ject to interruption for boat repair and maintenance.

33 (B) From May 1, 1984 through December 31, 1984, subject to the pro-

1 visions of Section 2(H) of this Agreement, provide marine patrol services in
2 the water areas under the jurisdiction of the City, consisting of one eight-
3 hour shift (one boat) on Lake Washington, rendering service in the manner
4 described in 2(A) above.

5 (C) At the specific request of the City, attempt to accommodate
6 reasonable special requests for non-routine marine services not covered in
7 Sections 2(A) and (B) of this Agreement for an hourly fee of seventy dollars
8 (\$70.00).

9 (D) Emphasize marine patrol in the afternoon and early evening
10 hours of the marine patrol season.

11 (E) At the end of each month during which service is provided,
12 provide the City with a report of marine patrol services rendered within City
13 waters.

14 (F) Furnish all personnel and any and all other things appropriate
15 to accomplish the level of marine patrol service described in Sections 2(A),
16 (B), and (C).

17 (G) Refund a share, prorated on the basis of time, of any sums paid
18 by the City in the event of termination of this Agreement; and

19 (H) Monitor local option boat tax collections and, in the event of
20 an impending revenue shortfall, make service level reductions as deemed
21 appropriate by the County, after conferring with the Marine Patrol Services
22 Advisory Committee established in Section 6(B) of this Agreement, provided
23 that, once the Interlocal Agreements with all the Cities are executed, King
24 County shall not, through August 31, 1984, reduce the level of marine patrol
25 services provided under this Agreement.

26 SECTION 3. City Obligations. In consideration for the promises of the
27 County set forth in this Agreement, the City:

28 (A) Shall, by December 31, 1984 pay the County \$ 12,000.00
29 as its share of the portion to be funded by the Cities plus any additional
30 amounts owing for service rendered under Section 2(C) of this Agreement.

31 (B) Agrees to pay interest at one and one-half percent (1½%) per
32 month on any amounts owing from their due date until paid. For these pur-
33 poses, amounts owed for services rendered under Section 2(C) shall be due

1 thirty (30) days after billed or December 31, 1984, whichever date is later.

2 (C) Hereby confers municipal police authority on County officers
3 engaged pursuant to this Agreement in enforcing State and City ordinances
4 within City waters for the purposes of carrying out this Agreement.

5 (D) Shall, to the extent reasonably feasible and with all due
6 consideration for local circumstances, bring local ordinances into conformity
7 with applicable County boating ordinances to provide uniformity of regulation
8 and enforcement on all waters, including making it unlawful for any person to
9 moor, store, or operate a vessel, the use of which is subject to King County
10 Ordinance 6595, as amended, within the City's jurisdiction without displaying
11 evidence of compliance with that ordinance and providing that any fines
12 collected for violation of such a section of the City's code shall be in addi-
13 tion to the tax required.

14 SECTION 4. Reduction in City Share.

15 (A) Notwithstanding the provisions of Section 3(A), the City's
16 share of marine patrol costs shall be reduced to \$6,815.00 in the event
17 the County's share of boat tax revenues under its Interlocal Agreement with
18 the City of Seattle is equal to \$155,000 in 1984.

19 (B) If the County's share of boat tax revenues under its Interlocal
20 Agreement with the City of Seattle is more than \$101,000 but less than
21 \$155,000, the City's share of 1984 marine patrol costs shall be reduced in
22 proportion to the attached cost allocation plan, provided that the City of Des
23 Moines is allocated its proportionate share.

24 (C) If the County's share of boat tax revenues under its Interlocal
25 Agreement with the City of Seattle is more than \$155,000, any amounts in
26 excess of \$155,000 shall be deposited into the Marine Patrol Account in the
27 County's Current Expense Fund and shall be used to reduce the County and the
28 Cities' shares of the future costs of marine patrol programs in proportion to
29 the attached cost allocation plan, provided that the City of Des Moines is
30 allocated its proportionate share if appropriate.

31 SECTION 5. Supervision and Personnel. Both parties to this Agreement
32 understand and agree that the County is acting as an independent contractor,
33 with the following intended results:

1 (A) Control of personnel, standards of performance, discipline, and
2 all other aspects of marine patrol performance shall be governed entirely by
3 the County.

4 (B) All persons rendering marine patrol service under this
5 Agreement shall be for all purposes employees of the County, although they may
6 from time to time act as commissioned officers of the City.

7 (C) All liabilities for salaries, wages, any other compensation,
8 injury, sickness, or liability to the public for negligent acts arising from
9 performance of marine patrol services as described in Sections 2(A) and (B)
10 above shall be that of the County. The County shall hold the City harmless
11 and indemnify and defend it against any liability arising from performance of
12 the marine patrol service under Sections 2(A) and (B) of under this Agreement.
13 The City shall hold the County harmless and indemnify and defend it against

20 Services Advisory Committee, to be composed of up to three members repre-
21 senting the Cities previously defined. The Cities shall appoint the members
22 by whatever means they deem appropriate and shall thereafter advise the County
23 Executive as to the appointments. The Advisory Committee shall advise the
24 County Executive from time to time on positions or concerns about marine
25 patrol service levels, costs, operations, capital purchases, activity
26 reporting systems, and other relevant issues, including any County decisions
27 to reduce the level of service in the event of revenue shortfalls, pursuant to
28 Section 2(H) of this Agreement.

29 (C) This Agreement supersedes any prior contract between the
30 parties relating to the same subject matter. It is intended to express the
31 entire agreement of the parties, and may not be altered or modified in any way
32 unless the modification is reduced to writing and signed by both parties.

33 (D) Any termination of this Agreement shall not terminate any duty

1 of either party matured prior to such termination.

2 (E) No waiver by either party of any term or condition of this
3 Agreement shall be deemed or construed as a waiver of any other term or
4 condition, nor shall a waiver of any breach be deemed to constitute a waiver
5 of any subsequent breach whether of the same or a different provision of this
6 Agreement.

7 (F) The County certifies that it is an Equal Opportunity Employer
8 and has developed and implemented an Affirmative Action Program in accordance
9 with guidelines contained in Revised Order 4 of the U.S. Department of Labor.
10 The County agrees not to discriminate against any employee or applicant for
11 employment because of race, color, religion, sex, or national origin. The
