CONTRACT AMENDMENT:
CITY OF KIRKLAND -
WASTE MANAGEMENT - SNO-KING, INC.

THIS AGREEMENT made and entered into this ____ day of _____, 1992 between the City of Kirkland and Waste Management - Sno-King, Inc. to amend certain provisions of that certain contract between said parties dated January 1, 1990:

In consideration of the mutual promises, covenants and agreements contained herein, it is agreed that the following sections and subsections of that certain agreement dated January 1, 1990 between the City of Kirkland and Waste Management - Sno-King, Inc. are amended to read as follows:

Section*2.8 Collection Schedules. No collection shall be made except within the following time schedules:

For commercial and industrial: Between the hours of 5 a.m. and 5 p.m., Monday through Friday. (Where special circumstances or complaints received by the City indicate the necessity or desirability of an adjustment or change in the hours of collection or the days upon which collections may be made, then the City may require such an adjustment, including Saturday pick up, to be made upon written notice given to the Contractor.)

For residential dwellings: Between the hours of 6 a.m. and 5 p.m., Monday through Friday.

For mixed commercial and residential usage at same location: Between the hours of 6 a.m. and 5 p.m., Monday through Friday.

Section. 2.31.4 Multi-Family Residential Recycling. Multi-Family residential customers may choose and by the City are urged to choose to participate in separation and placement for collection for recycling the following materials: Newspapers, mixed papers and recyclable bottles, cans and plastic containers. Recyclable materials placed for collection in bins will be collected by the Contractor on the same pick up schedule as solid waste collections. Recyclable materials shall be separated and placed in recycling bins or carts distributed by the Contractor. Multi-family residential customers using garbage can collection service will receive three recycling bins for recyclable materials per residential unit. Multi-family residential customers using containers will receive two or

more recycling carts as determined by the size of the solid waste container:

<u>Container Size</u>	<u>Number of Recycling Carts</u>
2 or fewer yards	2 carts
3 or 4 yards	3 carts
6 yards	5 carts
8 yards	6 carts
10 yards	8 carts
20 yards	15 carts
