INTERIM PARKING PLAN.

Whereas, on July 20, 1993 the Council
reviewed parking issues for downtown Kirkland
for the interim period during construction of
the new library; and

Whereas, the Council wishes to set forth by
resolution several aspects of the interim
parking plan.

Now, therefore, be it resolved by the City
Council of the City of Kirkland as follows:

Section 1. The City of Kirkland has for
some years provided off-street public parking at
Peter Kirk Park. The interim parking program is
designed to replace the parking which will be
unavailable during construction of the new
library at the Peter Kirk site, estimated to be
about eighteen months. The actions taken by the
Council with respect to interim parking
arrangements are intended to be temporary, and
to be in effect only through December 31, 1994.

Section 2. The Council approves use of a
portion of the Waverly site for parking during
the interim period. This parking will be along
the existing driveway area, with some widening,
and will accommodate approximately fifty
vehicles. The City Manager is hereby authorized
and directed to enter into an agreement with the
Kirkland Downtown Association (KDA) for KDA to
provide services related to the interim parking
plan. Such agreement would be the means by
which the Waverly site parking is managed. KDA
would be paid a fee based on Waverly site
permits sold. The agreement would also state
that KDA is to provide, on private property,
parking available to the public for a reasonable
fee. The agreement would include provision for
payment to KDA of $12,000 for interim parking
plan services. With respect to the $12,000.00
the City would pay to KDA, the City would be
reimbursed from BIA funds, as provided in
Ordinance 3378.
