MEMORANDUM OF UNDERSTANDING

This agreement of employment conditions for the City Manager of Kirkland, Washington, is set forth to avoid possible misunderstandings, to assure good working relationships, and to provide special benefits to the City Manager who comes under different employment arrangements than the balance of City employees.

In accordance with the provisions of Chapter 35A.13 RCW, the City Manager is appointed by the City Council for an indefinite term and may be removed by a vote of the majority of the Council. While there is not a fixed term appointment for the City Manager, it is the intent of this agreement to provide for general employment conditions to be applicable during the employment of the City Manager, as well as fair arrangements on both voluntary and involuntary termination.

I. Salary

The City Council will review and approve any change in the salary of the City Manager annually. If a salary reduction should take place, it would not be at a rate greater than applied across the board for all employees.

As part of the job of City Manager, the Manager is required to maintain a publicly-listed telephone within his home.

II. Hours of Work

It is recognized that the City Manager must devote a great deal of his time outside normal office hours regarding business of the City and to that end he will be allowed to take compensatory time off as he shall deem appropriate during said normal office hours. Compensatory time off shall not exceed a 40-hour buildup, and a cash payment in lieu of compensatory time shall be made at separation.

III. Automobile

The City Manager is required to have a car available for City business. The City will pay the City Manager a monthly vehicle allowance of \$325 per month to defray the expense of using a personal automobile for official City business within the Seattle metropolitan area. Business-related driving outside this area will be reimbursed on a mileage basis in accordance with prevailing City policy, if a non-City vehicle is used.

IV. General Expenses

The City recognizes that certain expenses of non-personal and generally job-affiliated nature are incurred by the City Manager and hereby agrees to reimburse or to pay said general expenses allowable by State law.

B. Management Leave

The City Manager shall be granted five (5) days management leave on January 1 of each year. Management leave shall be taken in the same manner as vacation leave. No more often than once each calendar year, the City Manager may request and receive a cash payment in lieu of all or any part of his accrued management leave.

C. Accumulation

VI. Disability, Health, and Life Insurance

The City agrees to provide the City Manager with the same level of health insurance coverage provided to other general employees, including dependent health care coverage. The City, at its cost, will continue health and other insurance coverages for a seven (7) month period. Provided that this section will not apply in the event such termination by the City Council is based upon the City Manager being convicted of a felony or upon malfeasance of office by the City Manager, and such charge is set forth in the Notice of Termination given by the City Council to the City Manager.

In the event the City Manager voluntarily resigns and gives forty-five (45) days advance notice in writing, the City agrees to pay the City Manager all normal settlements employees receive.

X. Other Terms and Conditions of Employment
