Section 3. Nothing in this resolution shall be construed as excusing the applicant from compliance with any federal, state, or local statutes, ordinance, or regulations applicable to this project, other than expressly set forth herein.

Section 4. Failure on the part of the holder of the permit to initially meet or maintain strict compliance with the standards and conditions to which the Process IIB permit is subject shall be grounds for revocation in accordance with Ordinance 2740, as amended, the Kirkland Zoning Ordinance.
