- 6.3 In the event that any plan is not so approved, it shall be returned to the *WRIA 8 Steering Committee* for further consideration and amendment and thereafter returned to the *WRIA 8 Forum* for decision.
- 6.4 After approval of the plan by the *WRIA 8 Forum*, the plan shall be referred to the parties to this Agreement for ratification prior to the plan's submission to any federal or state agency for further action. Ratification means an affirmative action, evidenced by a resolution or ordinance of the jurisdiction's legislative body, by at least nine jurisdictions within WRIA 8 representing at least seventy per cent (70%) of the total population of WRIA 8. Upon ratification, the *WRIA 8 Forum* shall transmit the *WRIA-based Watershed Plan* to any state or federal agency as may be required for further action.
- 6.5 In the event that either any state or federal agency to which such plans are submitted shall remand any such plan for further consideration, the plan shall be remanded to the *WRIA 8 Forum* for consideration, which may include further referral to the *WRIA 8 Steering Committee* for recommendation on amendments thereto.
- 6.6 The parties agree that no *WRIA-based Watershed Plan* developed and funded pursuant to this Agreement shall be forwarded separately by any of them to any state or federal agency unless it has been approved and ratified as provided herein.

7. **OBLIGATIONS OF PARTIES: BUDGET: FISCAL AGENT: RULES.**

- 7.1 Each party shall be responsible for meeting its financial obligations hereunder as established in the annual budget adopted by the **WRIA 8 Forum** under this Agreement, including all such obligations related to **WRIA 8 Forum** and **WRIA 8 Steering Committee** funding, technical support, and participation in related planning projects and activities as set forth herein. It is anticipated that separate actions by the legislative bodies of the parties will be necessary from time to time in order to carry out these obligations.
- 7.2 The maximum funding responsibilities imposed upon the parties during the first year of this Agreement shall not exceed the amounts set forth in Exhibit A, which shall be updated annually as described in Section 4.2.2.
- 7.3 No later than September 1 of each year of this Agreement, the **WRIA 8 Forum** shall adopt a budget, including its overhead and administrative costs, for the following calendar year. The budget shall propose the level of funding and other (e.g. staffing) responsibilities of the individual parties for the following calendar year and shall propose the levels of funding and resources to be allocated to specific prioritized planning activities within the WRIA. The parties shall thereafter take whatever separate legislative or other actions that may be necessary to timely address such individual responsibilities under the proposed budget, and shall have done so no later than December 1st of each such year.
- 7.4 Funds collected from the parties or other sources on behalf of the **WRIA 8 Forum** shall be maintained in a special fund by King County as **Fiscal Agent** and as *ex officio* treasurer on behalf of the **WRIA 8 Forum** pursuant to rules and procedures established and agreed to by the **WRIA 8 Forum**. Such rules and procedures shall set out billing practices and collection procedures and any other procedures as may be necessary to provide for its efficient administration and operation. Any party to this Agreement may inspect and review all records maintained in connection with such fund at any reasonable time.
8. **LATECOMERS.** A county or city government in King or Snohomish County lying wholly or partially within the management area of WRIA 8 and the Lake Washington-Cedar and Sammamish watershed basins and adjacent Puget Sound drainages which has not become a party to this Agreement within twelve (12) months of the effective date of this Agreement may become a party only with the written consent of all the parties. The provisions of Section 5 otherwise governing decisions of the **WRIA 8 Forum** shall not apply to Section 8. The parties and the county or city seeking to become a party shall jointly determine the terms and conditions under which the county or city may become a party. These terms and conditions shall include payment by such county or city to the parties of the amount determined jointly by the parties and the county or city to represent such county or city's fair and proportionate share of all costs

associated with activities undertaken by the *WRIA 8 Forum* and the parties on its behalf as of the date the county or city becomes a party. Any county or city that becomes a party pursuant to this section shall thereby assume the general rights and responsibilities of all other parties to this Agreement.

9. **TERMINATION** This Agreement may be terminated by any party, as to that party only, upon sixty (60) days' written notice to the other parties. The terminating party shall remain fully responsible for meeting all of its funding and other obligations through the end of the calendar year in which such notice is given, together with any other costs that may have been incurred on behalf of such terminating party up to the effective date of such termination. This Agreement may be terminated at any time by the written agreement of all parties. It is expected that the makeup of the parties to this Agreement may change from time to time. Regardless of any such changes, the parties choosing not to exercise the right of termination shall each remain obligated to meet its respective share of the obligations of the *WRIA 8 Forum* as reflected in the annual budget.
10. **HOLD HARMLESS AND INDEMNIFICATION**. To the extent permitted by state law, and for the limited purposes set forth in this agreement, each party shall protect, defend, hold harmless and indemnify the other parties, their officers, elected officials, agents and employees, while acting within the scope of their employment as such, from and against any and all claims (including demands, suits, penalties, liabilities, damages, costs, expenses, or losses of any kind or nature whatsoever) arising out of or in any way resulting from such party's own negligent acts or omissions related to such party's participation and obligations under this agreement. Each party agrees that its obligations under this subsection extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, each party, by mutual negotiation, hereby waives, with respect to the other parties only, any immunity that would otherwise be available against such claims under the Industrial Insurance act provisions of Title 51 RCW. The provisions of this subsection shall survive and continue to be applicable to parties exercising the right of termination pursuant to Section 9.
11. **NO ASSUMPTION OF LIABILITY**. In no event do the parties to this Agreement intend to assume any responsibility, risk or liability of any other party to this Agreement or otherwise with regard to any party's duties, responsibilities or liabilities under the Endangered Species Act, or any other act, statute or regulation of any local municipality or government, the State of Washington or the United States.
12. **VOLUNTARY AGREEMENT**. This is a voluntary agreement and it is acknowledged and agreed that, in entering into this Agreement, no party is committing to adopt or implement any actions or recommendations that may be contained in a *WRIA-based Watershed Plan* developed pursuant to this Agreement.
13. **NO PRECLUSION OF ACTIVITIES OR PROJECTS**. Nothing herein shall preclude any one or more of the parties to this Agreement from choosing or agreeing to fund or implement any work,

activities or projects associated with any of the purposes hereunder by separate agreement or action, provided that any such decision or agreement shall not impose any funding, participation or other obligation of any kind on any party to this Agreement which is not a party to such decision or agreement.

14. **NO THIRD PARTY RIGHTS.** Nothing contained in this Agreement is intended to, nor shall it be construed to, create any rights in any third party, including without limitation the *WRIA 8 Steering Committee*, NMFS, USFWS, any agency or department of the United States, or the State of Washington, or to form the basis for any liability on the part of the *WRIA 8 Forum* or any of the parties, or their officers, elected officials, agents and employees, to any third party.
