- 146 4.2.1 By September 1 of each year, establish and approve an annual budget,
 147 establishing the level of funding and total resource obligations of the parties
 148 which are to be allocated on a proportional basis based on the average of the
 149 population, assessed valuation and area attributable to each party to the
 150 Agreement, in accordance with the formula set forth in Exhibit A, which formula
 151 shall be updated every third year by the **WRIA 8 Salmon Recovery Council**, as
 152 more current data become available, and in accordance with Section 2.1.
- 153 4.2.2 Review and evaluate annually the duties to be assigned to the **Management**
 154 **Committee** hereunder and the performance of the **Fiscal Agent** and **Service**

 163 timeline.
- 164 4.2.3 Oversee and administer the expenditure of budgeted funds and allocate the
 165 utilization of resources contributed by each party or obtained from other sources
 166 in accordance with an annual prioritized list of implementation and adaptive
 167 management activities within the WRIA during each year of this Agreement.
- 168 4.3 The **WRIA 8 Salmon Recovery Council** through the primary **Service Provider** may
 169 contract with similar watershed forum governing bodies or any other entities for any
 170 lawful purpose related hereto, including specific functions and tasks which are initiated
 171 and led by another party to this Agreement beyond the services provided by the primary
 172 **Service Provider**. The parties may choose to create a separate legal or administrative
 173 entity under applicable state law, including without limitation a nonprofit corporation or
 174 general partnership, to accept private gifts, grants or financial contributions, or for any
 175 other lawful purposes.
- 176 4.4 The party members of the **WRIA 8 Salmon Recovery Council** shall adopt other rules
 177 and procedures that are consistent with its purposes as stated herein and are necessary
 178 for its operation.
- 179 5. **VOTING**. The party members on the **WRIA 8 Salmon Recovery Council** shall make decisions,
 180 approve scope of work, budget, priorities and any other actions necessary to carry out the
 181 purposes of this Agreement as follows:

- 182 5.1 No action or binding decision will be taken by the **WRIA 8 Salmon Recovery Council**
 183 without the presence of a quorum of active party members. A quorum exists if a majority
 184 of the party members are present at the **WRIA 8 Salmon Recovery Council** meeting,
 185 provided that positions left vacant on the **WRIA 8 Salmon Recovery Council** by parties
 186 to this agreement shall not be included in calculating the quorum. In addition, positions
 187 will be considered vacant on the third consecutive absence and shall not be included in
 188 calculating a quorum until that time in which the party member is present. The voting
 189 procedures provided for in 5.1.1 through 5.1.2 are conditioned upon there being a
 190 quorum of the active party members present for any action or decision to be effective and
 191 binding.
- 192 5.1.1 Decisions shall be made using a consensus model as much as possible. Each
 193 party agrees to use its best efforts and exercise good faith in consensus
 194 decision-making. Consensus may be reached by unanimous agreement of the
 195 party members at the meeting, or by a majority recommendation agreed upon by
 196 the active party members, with a minority report. Any party who does not accept
 197 a majority decision may request weighted voting as set forth below.
- 198 5.1.2 In the event consensus cannot be achieved, as determined by rules and
 199 procedures adopted by the **WRIA 8 Salmon Recovery Council**, the **WRIA 8**
 200 **Salmon Recovery Council** shall take action on a dual-majority basis, as follows:
- 201 5.1.2.1 Each party, through its appointed representative, may cast its weighted
 202 vote in connection with a proposed **WRIA 8 Salmon Recovery Council**
 203 action.
- 204 5.1.2.2 The weighted vote of each party in relation to the weighted votes of each
 205 of the other parties shall be determined by the percentage of the annual
 206 contribution by each party set in accordance with Subsection 4.2.1 in the
 207 year in which the vote is taken.
- 208 5.1.2.3 For any action subject to weighted voting to be deemed approved, an
 209 affirmative vote must be cast by both a majority of the active party
 210 members to this Agreement and by a majority of the weighted votes of
 211 the active party members to this Agreement. No action shall be valid
 212 and binding on the parties to this Agreement until it shall receive majority
 213 of votes of both the total number of active party members to the
 214 Agreement and of the active members representing a majority of the
 215 annual budget contribution for the year in which the vote is taken. A vote
 216 of abstention shall be recorded as a "no" vote.
- 217 5.2 The party members on the **WRIA 8 Salmon Recovery Council** may deem it appropriate
 218 to appoint to the **WRIA 8 Salmon Recovery Council** non-party stakeholder

representatives and other persons who are appropriate for the implementation and adaptive management of the **WRIA 8 Plan**.

5.2.1 Nomination of such non-party members may be made by any member of the **WRIA 8 Salmon Recovery Council**. Appointment to the **WRIA 8 Salmon Recovery Council** of such non-party members requires either consensus or dual majority of party members as provided in Section 5.1.

5.2.2 The party members on the **WRIA 8 Salmon Recovery Council** may deem it appropriate to allow non-party members to vote on particular **WRIA 8 Salmon Recovery Council** decisions. The party members may determine which issues are appropriate for non-party voting by either consensus or majority as provided in Sections 5.1, except in the case where legislation requires non-party member votes.

5.2.3 Decisions of the entire **WRIA 8 Salmon Recovery Council**, both party and non-party members, shall be made using a consensus model as much as possible. Voting of the entire **WRIA 8 Salmon Recovery Council** will be determined by consensus or majority as provided in Sections 5.1 and a majority of the non-party members.

6. **ADAPTIVE MANAGEMENT OF THE WRIA 8 CHINOOK SALMON CONSERVATION PLAN.**

The **WRIA 8 Plan** shall be implemented with an adaptive management approach. Such an approach anticipates updates and amendments to the **WRIA 8 Plan**. Such amendments to be effective and binding must comply with the following provisions:

6.1 The **WRIA 8 Salmon Recovery Council** shall act to approve or remand any **WRIA 8 Plan** amendments prepared and recommended by the committees of the **WRIA 8 Salmon Recovery Council** within ninety (90) days of receipt of the plan amendments, according to the voting procedures described in Section 5.

6.2 In the event that any amendments are not so approved, they shall be returned to the committees of the **WRIA 8 Salmon Recovery Council** for further consideration and amendment and thereafter returned to the **WRIA 8 Salmon Recovery Council** for decision.

6.3 After approval of the **WRIA 8 Plan** amendments by the **WRIA 8 Salmon Recovery Council**, the plan amendments shall be referred to the parties to this Agreement for ratification prior to the submission to any federal or state agency for further action. Ratification means an affirmative action, evidenced by a resolution, motion, or ordinance of the jurisdiction's legislative body, by at least nine (9) jurisdictions within WRIA 8 representing at least seventy per cent (70%) of the total population of WRIA 8. Upon ratification, the **WRIA 8 Salmon Recovery Council** shall transmit the **updated WRIA 8 Plan** to any state or federal agency as may be required for further action.

- 256 6.4 In the event that any state or federal agency to which the **WRIA 8 Plan** or amendments
 257 thereto are submitted shall remand the **WRIA 8 Plan** or amendments thereto for further
 258 consideration, the **WRIA 8 Salmon Recovery Council** shall conduct such further
 259 consideration and may refer the plan or amendments to the committees of the **WRIA 8**
 260 **Salmon Recovery Council** for recommendation on amendments thereto.
- 261 6.5 The parties agree that any amendments to the **WRIA 8 Plan** shall not be forwarded
 262 separately by any of them to any state or federal agency unless it has been approved
 263 and ratified as provided herein.

264 7. **OBLIGATIONS OF PARTIES; BUDGET; FISCAL AGENT; RULES.**

- 265 7.1 Each party shall be responsible for meeting its financial obligations hereunder as
 266 described in Section 2.1 and established in the annual budget adopted by the **WRIA 8**
 267 **Salmon Recovery Council** under this Agreement and described in Section 4.2.1.
 268 The maximum funding responsibilities imposed upon the parties during the first year of
 269 this Agreement shall not exceed the amounts set forth in Exhibit A, which shall be
 270 updated every third year as described in Section 4.2.1.
- 271 7.2 No later than September 1 of each year of this Agreement, the **WRIA 8 Salmon**
 272 **Recovery Council** shall adopt a budget, including its overhead and administrative costs,
 273 for the following calendar year. The budget shall propose the level of funding and other
 274 (e.g. staffing) responsibilities of the individual parties for the following calendar year and
 275 shall propose the levels of funding and resources to be allocated to specific prioritized
 276 implementation and adaptive management activities within the WRIA. The parties shall
 277 thereafter take whatever separate legislative or other actions that may be necessary to
 278 timely address such individual responsibilities under the proposed budget, and shall have
 279 done so no later than December 1st of each such year.
- 280 7.3 Funds collected from the parties or other sources on behalf of the **WRIA 8 Salmon**
 281 **Recovery Council** shall be maintained in a special fund by King County as **Fiscal Agent**
 282 and as *ex officio* treasurer on behalf of the **WRIA 8 Salmon Recovery Council** pursuant
 283 to rules and procedures established and agreed to by the **WRIA 8 Salmon Recovery**
 284 **Council**. Such rules and procedures shall set out billing practices and collection
 285 procedures and any other procedures as may be necessary to provide for its efficient
 286 administration and operation. Any party to this Agreement may inspect and review all
 287 records maintained in connection with such fund at any reasonable time.

- 288 8. **LATECOMERS.** A county or city government in King or Snohomish County lying wholly or
 289 partially within the management area of WRIA 8 and the Lake Washington-Cedar and
 290 Sammamish watershed basins and adjacent Puget Sound drainages which has not become a
 291 party to this Agreement within twelve (12) months of the effective date of this Agreement may
 292 become a party only with the written consent of all the parties. The provisions of Section 5

otherwise governing decisions of the **WRIA 8 Salmon Recovery Council** shall not apply to Section 8. The parties and the county or city seeking to become a party shall jointly determine the terms and conditions under which the county or city may become a party. These terms and conditions shall include payment by such county or city to the parties of the amount determined jointly by the parties and the county or city to represent such county or city's fair and proportionate share of all costs associated with activities undertaken by the **WRIA 8 Salmon Recovery Council** and the parties on its behalf as of the date the county or city becomes a party. Any county or city that becomes a party pursuant to this section shall thereby assume the general rights and responsibilities of all other parties to this Agreement.

9. **TERMINATION.** This Agreement may be terminated by any party, as to that party only, upon sixty (60) days' written notice to the other parties. The terminating party shall remain fully responsible for meeting all of its funding and other obligations through the end of the calendar year in which such notice is given, together with any other costs that may have been incurred on behalf of such terminating party up to the effective date of such termination. This Agreement may be terminated at any time by the written agreement of all parties. It is expected that the makeup of the parties to this Agreement may change from time to time. Regardless of any such changes, the parties choosing not to exercise the right of termination shall each remain obligated to meet their respective share of the obligations of the **WRIA 8 Salmon Recovery Council** as reflected in the annual budget.

10. **HOLD HARMLESS AND INDEMNIFICATION.** To the extent permitted by state law, and for the limited purposes set forth in this agreement, each party shall protect, defend, hold harmless and indemnify the other parties, their officers, elected officials, agents and employees, while acting within the scope of their employment as such, from and against any and all claims (including demands, suits, penalties, liabilities, damages, costs, expenses, or losses of any kind or nature whatsoever) arising out of or in any way resulting from such party's own negligent acts or omissions related to such party's participation and obligations under this agreement. Each party agrees that its obligations under this subsection extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, each party, by mutual negotiation, hereby waives, with respect to the other parties only, any immunity that would otherwise be available against such claims under the industrial insurance act provisions of Title 51 RCW. The provisions of this subsection shall survive and continue to be applicable to parties exercising the right of termination pursuant to Section 9.

11. **NO ASSUMPTION OF LIABILITY.** In no event do the parties to this Agreement intend to assume any responsibility, risk or liability of any other party to this Agreement or otherwise with regard to any party's duties, responsibilities or liabilities under the Endangered Species Act, or any other act, statute or regulation of any local municipality or government, the State of Washington or the United States.

- 330 12. **VOLUNTARY AGREEMENT**. This is a voluntary agreement and it is acknowledged and agreed
 331 that, in entering into this Agreement, no party is committing to adopt or implement any actions or
 332 recommendations that may be contained in the ***WRIA 8 Plan*** pursuant to this Agreement.
- 333 13. **NO PRECLUSION OF ACTIVITIES OR PROJECTS**. Nothing herein shall preclude any one or
 334 more of the parties to this Agreement from choosing or agreeing to fund or implement any work,
 335 activities or projects associated with any of the purposes hereunder by separate agreement or
 336 action, provided that any such decision or agreement shall not impose any funding, participation
 337 or other obligation of any kind on any party to this Agreement which is not a party to such
 338 decision or agreement.
- 339 14. **NO THIRD PARTY RIGHTS**. Nothing contained in this Agreement is intended to, nor shall it be
 340 construed to, create any rights in any third party, including without limitation the non-party
 341 members, NMFS, USFWS, any agency or department of the United States, or the State of
 342 Washington, or to form the basis for any liability on the part of the ***WRIA 8 Salmon Recovery***
 343 ***Council*** or any of the parties, or their officers, elected officials, agents and employees, to any
 344 third party.
- 345 15. **AMENDMENTS**. This Agreement may be amended, altered or clarified only by the unanimous
 346 consent of the parties to this Agreement, represented by affirmative action by their legislative
 347 bodies.
- 348 16. **COUNTERPARTS**. This Agreement may be executed in counterparts.
- 349 17. **APPROVAL BY PARTIES' GOVERNING BODIES**. The governing body of each party must
 350 approve this Agreement before any representative of such party may sign this Agreement.
- 351 18. **FILING OF AGREEMENT**. This Agreement shall be filed by King County and Snohomish
 352 County in accordance with the provisions of RCW 39.34.040 and .200 and with the terms of
